### **Nicolette says**

A quick easy reading book about my two most lived things, dogs and Christmas. I started reading it and could not put it down until I finished it.

### **Natalia says**

I found this story boring and simplistic but my child liked it. I got him a couple more books from the same series. Unfortunately, he never liked any of the other books. They remained unfinished for a while until he finally gathered them up with other unwanted book and asked me to donate them.

## **Kinga says**

W tej ksi??ce co prawda niewiele jest opisów typowo ?wi?tecznych, ale ma ona swoje przes?anie. Uczy bowiem (nie tylko dzieci) jak nale?y post?powa? ze zwierz?tami oraz na jak? odpowiedzialno?? nale?y by? przygotowanym, kiedy przygarnia si? psa do domu. Jest to pozycja o rodzinie, o tym, ?e nale?y po?wi?ca? uwag? pupilowi i liczy? si? z tym, ?e w okresie ?wi?t Bo?ego Narodzenia mog? si? pojawia? problemy. Ha?as, brak czasu na spacery, zbyt du?o go?ci, a co za tym idzie samotno?? zwierz?t.

## **Sarah Evans says**

Cute little read. I wanted to see more from the perspective of the puppy though. I did like how the author integrated good information for kids to think about when interacting with a dog.

## **Charlie says**

Main character - too snobby!
