Play With Us W. Murray

Based on the fact that only 12 'key' words make up 25% of those we read and write and 100 make up 50%, then learning 'key words' first will ensure children start reading quickly, thoroughly and with confidence.

Mahmoud Hussain says

When i read this book to my 4 years son , I felt nostalgic for my old days. thanks ladybird , thanks W Murray for the great serious

Goh Leng says

I was feeling quite nostalgic when i found this book during the spring-clean yesterday. It's my first English book? I'll definitely keep the whole set of Peter and Jane books for my baby girl n make sure i'll read them to her when she grows up!

Limau Nipis says

Even though this set of books, people will think of old school, I use it to read aloud with my children, for them to grasp the concept of English key words.

It was easy to understand.

Alejandra says

Me gusta mucho porque es en ingles

Brian Mcmahon says

Quite an easy read, going try 1B tomorrow

Shirley Revill says

Pure nostalgia. :)
