Why Not Tonight

Jacquie D'Alessandro

Why Not Tonight Jacquie D'Alessandro

If there hadn't been a 24-hour blackout...

Mallory never would have had the nerve to seduce her photographer, and first love, Adam. Sure, she knew she was on the rebound, but it was for only one night. And for Mallory, that was going to have to be enough....

Adam never would have believed he'd end up in Mallory's bed--just days after taking her boudoir photos for another man! But he was definitely enjoying their sensual reminiscing.... Unfortunately, the timing was all wrong--he was leaving the country next week. Still, he couldn't say no to her tonight....

They never would have experienced the best sex of their lives! But then again, chemistry had never been their problem. After all, there was more to life than just good sex. Wasn't there?

Jim son of Jim (formerly PhotoJim) says

Young lovers become estranged but never forget each other. Then they come back together through a rather severe contrivance. Fireworks are still there. I'll have you know that if it were not for the ice-cream scene, this would have been a two star book.

Allison says

Good book - steamy and entertaining. Very satisfying ending.

Srinidhi.R Srinidhi.R says

sexy thrill joy ride of a lifetime!!

Adrienne says

oooooh I don't know what to write about this other than I'd not read anything by Jacquie D'Alessandro before I picked this up from the library...but I really wished I had, she's definately going to be making an appearance on my book shelves again. I loved it!!

This was a great friends to lovers....lovers to friends....and friends to lovers (again) read.

Adam and Mallory went out with each other when Mall was in High school and Adam was just starting work, the timing was wrong and they split up but stayed friends. After about 4 years they lost contact with each other. Then fate played her cards (on many levels) and they met up again. But fate never plays fair, and once again she threw a few obstacles in their way. Fortunately Adam and Mallory work around these and get their well deserved HEA.

This story was really good there was good character development...you really felt as tho' you knew these two as your friends. When their relationship had been carefully re-established the steamy side of things took off...I thought this was very well written, I loved the way Mallory and Adam were with each other, the bedroom scenes were exactly as you would expect them to be Hot and romantic....Adam is really trying to woo Mallory and the chemistry between them is electric.

So if you like a nice sweet friends to lovers story with lots of romance and hot in between the sheets scenes then this one may be for you.
