Chelsea says

Pretty good!

Does a wonderful job capturing some of the spirit of the 1960's Avengers. Can't wait to see where Kamala falls in this.

Although, I don't like David's characterization of Tony.

Phil Lemons says

The story is okay. I like the concept of introducing a young person to what the gang was like back in the day. The story is fairly basic, as the name says. I like the artwork. I like that the characters look less exaggerated.

Chrissy says

Blah.
