Community Conversation Guide: Starting Well in Your Small Group Andy Stanley , Dan Mancini
Community. It's a word we often hear, but what does it really mean? And why is it so important to your spiritual life?

In this study, specifically designed for new small groups, you will learn that community is essential to spiritual progress. God designed us that way. He wants to use other people to grow us and he wants to use us to grow other people.

During this eight-week study -- specifically designed for new small groups -- you'll explore how building deep relationships with the people in your small group and serving in the larger community around you will grow your faith. You'll learn why your unique story matters... to God and to the people you do life with.

Community provides a great opportunity for you to grow in your relationship with God, because life is better connected.

Sessions include:

Show Up

Pursue God

Join In

Be Real Part 1

Be Real Part 2

Be Real Part 3

Be the Church

Be Together

From Reader Review Community Conversation Guide: Starting Well in Your Small Group for online ebook

Sarah Biggerstaff says

As Groups Coordinator for a mid-size Church, it's my job to study the dynamics of community groups, including strengths and weaknesses, benefits and challenges. I really enjoyed this book and learned some different perspectives on the way Groups are formed and implemented.

Tamara Lane says

I was given this book by our neighborhood pastor. It was useful in inspiring me to continue with our new neighborhood group. Makes me look forward to what comes next.
