## Dragon's Pride B.J. Brandon

Laydya Valeyrian is a young woman born as the heiress to the Valeyrian Fortress, which comes with an ancient legacy, a prophecy foretold long before her birth and has now come to reality. By her side stands Damen, a huge black phantom, her only companion since childhood; Dougal, her godfather and the one who has trained her to handle a sword better than most men, and Lowen, High Priestess of the Order. When Laydya's home is almost decimated by an unknown enemy, she is forced to accept her dreams were actually forewarnings she denied, her gifts finally coming to maturity at time when she will need them to survive. Gavilan's strength as a warrior and Laydya's determination must be pooled together in order to outwit Kasadim, the Dark Lord of the Order, before he destroys everything Laydya holds dear including the only man she is destined to ever love. Suspenseful and romantic, destiny brings Laydya and Gavilan together in a fight against a madman to end a terror so evil they dare not fail, for everything they hold dear could be destroyed.
