## **If It Wasn't For Tony** Anna Black

After taking a short break from dating, JOCELYN meets the man of her dreams and promises herself that she'd take it slow and not move too fast. But as usual her promise to herself is broken, because it was impossible for her not to fall heart first for TONY. Things developed quickly, but then their whirlwind romance suddenly comes to a halt when TONY decides things are too heavy for him and he wants space. After he moves out, he doesn't move on and JOCELYN allows him to play the in and out game, until she meets BRIAN. Ready to finally let TONY go and get him out of her system, she cuts the cord, but finds herself in a horrible situation in the end, all because of TONY.

On a short story roll and Anna Black did not disappoint as usual with this one! I was ready to strangle Jocelyn's crazy self.

## **Jos-renee Marks says**

Excellent story with very realistic characters dealing with real life issues. Love can cause joy & pain and Jocelyn went through both but she survived. Great story and looking forward to Ms. Anna Black!!

## **Tysha says**

This was a nice "quick fix" for me. Loved the story line, but I loved Brian more. I didn't like Tony at all, which made me want to slap Joss for her actions. Overall, it is a nice little read.

## **Syn Challenger says**

Definitely a page turner and well written story. I was upset with Joycelyn for allowing Tony for having such controls on her, after treating her so badly. But it all worked out in the end. I definitely enjoyed this story.

If it wasn't for Tony is a good short read I love this book from beginning to end even though I wanted to slap some sense into Jocelyn and shoot Tony...But all in all this was a great book I loved it!!!!

I loved this short read. My only complaint...too short-lol. The author has done it again. Great story line and I loved the ending.

**Another Great Love Story**

I liked the story but it took awhile. Jocelyn was too needy and borderline stalkish and that turned me off from her. Everything happened to her because of her. I loved the ending it was a nice surprise. I was Glad Tony got it together too.

**Beatrice Williams says**

**Ashley says**

Good story but too short

**Wilki J says**

Jocelyn is the complete package but one thing is missing..a man to share her life with. She finds what she wants in Tony..and no one else will do. If it wasn't for him..many things may have turned out different..then again..maybe not.

I enjoyed this read. Though the storyline was short in length, it left me satisfied; wasn't rushed at all. And even better it was a stand-alone that gave a fulfilling ending. Was looking for a little more drama. Also I wish that the character details of Joss were in the beginning; it took some time into the story for how she looked to be revealed. Nonetheless good short.
