Maternal-Newborn: Davis Essential Nursing Content + Practice Questions Sheila Whitworth , Taralyn McMullan

Content review Case studies NCLEX(R)-style questions Too much information? Too little time?

Here's everything you need to succeed in your maternal-newborn nursing course and prepare for course exams and the NCLEX(R).

Succinct content reviews in outline format focus on must-know information, while case studies and NCLEX-style questions develop your ability to apply your knowledge in simulated clinical situations. A 100-question final exam at the end of the book as well as two, 75-item comprehensive examinations online at *DavisPlus.com* provide the practice you need to feel confident about maternal-newborn content.

You'll also find proven techniques and tips to help you study more effectively, learn how to approach different types of questions, and improve your critical-thinking skills.

An access code inside new printed texts unlocks the questions online at *DavisPlus*, with answers and rationales for correct and incorrect responses. You can even design your own quizzes to test your knowledge and skills based on specific content areas, client need categories, cognitive level, and phases of the nursing process.
