## **Patterns of World History: Brief Third Edition, Volume Two from 1400** Peter von Sivers

*Patterns of World History, Brief Third Edition*, offers a distinct framework for understanding the global past through the study of origins, interactions, and adaptations. Authors Peter von Sivers, Charles A. Desnoyers, and George B. Stow examine the full range of human ingenuity over time and space in a comprehensive, even-handed, and critical fashion.

Approximately twenty-five percent shorter than the highly acclaimed comprehensive text, this **Brief Third Edition** features a streamlined and tightened narrative. With prices starting at \$24.95 per split volume, the **Brief Third Edition** is one of the least expensive full-color world history textbooks available. It is also available as an embedded eBook with OUP's online learning and assessment platform, Dashboard.
