**Sexy Beast VII** Kate Douglas , Anitra Lynn McLeod , Shelli Stevens

Big and bold, primal and powerful, these men have a seductive sensuality that no woman can resist. Come enter their world of carnal desires and wanton sexuality...if you dare...

"Chanku Challenge" by Kate Douglas

When Beth and Nick first discovered the amazingly sensual power of their Chanku birthright, the desire to mate was fierce and uncontrollable. But Beth remains haunted by an event from her past, and she must confront it in order to accept her new life and find the happiness she so desperately seeks...

"Eye of the Beholder" by Anitra Lynn McLeod

Terrified at the rumors of her new husband's hideous disfigurement, Larra of Rellmon fears the night and his approach. But as the hooded Dauer caresses her body Larra's shivers of terror become quivers of ecstasy, and under cover of darkness she willingly submits to complete sexual surrender...

"His To Reclaim" by Shelli Stevens

Five years ago Gemma gave her heart and soul to a fellow werejaguar only to have him disappear. Now Hunter has come back and kidnapped her on her wedding day in order to make her his again, and he will tempt, tease and taunt her body to the heights of hedonistic pleasure to get exactly what he wants...

## **Cindy says**

I love all the stories by Kate Douglas, this series so hot, love it.

---

## **Rosalee Tabor says**

Love these books they keep u in the story to see whats going to happen next. For it being to graphic I think that's part of getting the full affect of the story.

Good read. Kate Douglas makes her usual appearance with the latest Chanku short story. For those who have read the previous book, Beth is the heroine. Beth is not my favorite person, one of the other characters refers to her [quite accurately:] as a drama queen. Unsurprisingly, she does manage to get herself straightened out by the end of the story. The other two are good read-once stories. Eye of the Beholder by Anitra Lynn McLeod was obviously going for the Beauty and the Beast plot while His To Reclaim by Shelli Stevens is a pretty good shifter story. I thought the 'Eye' heroine was rather worldly for a medieval/fantasy setting while the heroine in 'His' didn't seem to be the sharpest knife in the drawer. The hero and his fellow agents could have done with some sharpening as well.

### **Kathy says**

skipped first story - dont do multiple, concurrrent sex stories...

2nd one, a bit of beauty and the beast - my favorite story... he is eons old, and split - too handsome by day (to drive women crazy) and a lustful, ugly, push the limits of sex beast by night...

he had married a loving wife, but became a violent warrior - attacking towns... and after a year of battles, in a new town, and killed his wife, not recognizing her until she was dead... curse began...

tried to marry again, hoping a woman could bring the two sides of himself together... she took one look at his handsome face, and was overcome, and jumped out the tower window to her death.

his two halves are becoming too disparate, so he negotiates to marry his neighbor's younger sister -

and finds she is perfect for him... though he keeps his face and hands hidden from her - and blindfolds her when they make love... though frightened, she is willing to meet him half way... they are two such different lovers and bodies, but she indulges and enjoys both... she thinks they are two different people... then thinks they are brothers... then realizes they are the same ...

and when her sister puts forth her plan to conquer his land... and kidnaps her to weaken him... they fight together - and the sister dies when she sees his face... and she returns to her kingdom to transition... he is unsure... but when he goes to her the next day, he is welcomed with open arms... ahhh

3rd story - couldn't get into this one... avoiding the were who made a claim on her, clinging to a human, who ends up to be the true threat...

So much growth for the new Chanku in the short story by Kate Douglas. Initially annoyed by Beth , but after this story I'm more curious then ever about her.

### **Kathy Davie says**

Three tales of love and beasts in this erotic anthology.

## Series

"Chanku Challenge" (Sexy Beast #7, Chanku #16)

## The Stories

**Kate Douglas' "Chanku Challenge"** continues the serialization of what I consider Douglas' Chanku series which combines her Wolf Tales and Sexy Beast stories. In this particular tale, Beth's memories of her stepfather's abuse are reawakened with some nasty results. It takes the Pack working together to help Beth fully awaken her memories and begin to put them behind her, including getting the man who abused her and murdered her mother.

What I like about Douglas' stories — besides the interesting sex with all its various permutations — is the love and caring that surrounds each member of the Pack. The sex Douglas writes of is simply a vehicle for providing the love and support.

**Anitra Lynn McLeod's "Eye of the Beholder"** is a cute spin off of the *Beauty and the Beast* fairy tale with Larra of Rellmon being sold off by her sister to the nightmare of the land, Dauer, a man about whom tales of his cruel and wicked behavior have spread far and wide with the number of wives who have died due to him almost as high. Although, why she figures on drinking brandy with dinner is the thing to do...

**Shelli Stevens' "His to Reclaim"** was a good, strong story about a pair of jaguar shifters, but a bit too dominating for me. Five years ago, Gemma gave it all up to Hunter believing him when he said they would be forever. It's her wedding day and Hunter has a lot of nerve showing up to claim her now!

## The Cover and Title

It's an eggplant colored background with a warm-skinned hottie with muscles and long black hair gracing this cover with what appears to be a brown sheet covering the absolute essentials.

The title is fairly generic, but does give a good idea of where Douglas' *Sexy Beast VII* fits within the chronology of the Chanku series about shapeshifters.

## Angel says

In this quick but important story we learn more about Beth and the path she led to who she is. What is shadowed in her memory that even her mate couldn't help with. She has to face her demons alone....but in the pack as part of the Chanku you never really alone.

## Michelle Tempted By Books says

Chanku Challenge by Kate Douglas

Yikes, this story was a bit graphic, to the point of turning my stomach some. Beth comes off as a total bitch and frankly at the start I didn't care what happened to her. However the story has a lot of depth and it was pretty interesting. Beth finally confronts her past so that she can move forward.

This story has plenty of graphic G/G and M/M sexual exploits as well as threesomes and foursomes. There is

nothing light about Kate Douglas' erotica, there is really nothing left to the imagination. If this is what you are seeking then you have found an entertaining series.
