Sophie #3: Sophie the Chatterbox Lara Bergen , Laura Tallardy (Illustrator)

Meet Sophie, a little girl with a big goal: to find a title that describes her perfectly. But this isn't quite what she had in mind! Look out --- here's Sophie the Chatterbox!

Can Sophie handle the truth?

When Sophie fessed up after putting a snake in Ms. Moffly's desk, she learned that being honest pays off! Now it's all truth, all the time for this third-grader.

But sometimes the truth hurts. Sophie blabs so much that the other kids in class start calling her Sophie the Chatterbox. (Not exactly the title she had in mind.) Sophie cannot tell a lie . . . but she CAN cause tons of trouble!

Kim says

Read with My daughter for school.

Jean-Marie says

Independently read and rated by Kate. This is the 3rd book in the series that Kate has been reading. Although she doesn't LOVE it, she does like it. It's a fun, light read.

Alina says

Well how do I read this book I need help

Franki Sibberson says

A good new series.

Julesmarie says

3.5 stars

My favorite of the series so far, I think. The field trip here is hilarious, as are all of the things Sophie says in her quest to be Sophie the Honest. Definitely adorable.

Favorite Quote:

(because I wonder if this is all my students get out of our field trips)

"Anyway, we walked all over the place where George Washington was born. And I guess we learned some stuff. Stuff like if you ever go on a field trip, do not wear fancy shoes. And that George Washington's teeth probably fell out because he ate hoecakes that tasted like wood.

KathyP says

My 2nd grade daughter loves this series. Some of her friends are also reading these, too.

I recommend that the parents read this book in particular, as well. I think it is a subject for discussion. It's about blunt honesty--blunt honesty that gets you in trouble. It is a fun read, but it opens up questions to an inquiring mind. How can you be honest while keeping a secret? And "How are you?" is more often a greeting than an inquiry.

Emma says

SHE IS A REAL CHATTERBOX!

Amy Holiday says

I read these in the wrong order--Sophie the Chatterbox first, then Sophie the Hero, and I swear I have Sophie the Awesome too but I can't find it. But I think I get the gist. Sophie is cute, she's trying very hard to stand out as a third grader, but she's trying too hard and it's not making her any more likeable. A struggle for most people, I think. Girls will find Sophie relatable, although hopefully they will realize that one doesn't always have to try so hard.

Gayle says

Just finished reading this one to the girls last night -- we all thought it was a cute, fun story! (Hayley was especially tickled that there was a character with her name in the story -- and spelled just like hers too!)
