I haven't yet had enough personal experience with praying in tongues to be able to comment for myself, but this book really helped me better understand the roll and importance of praying in the spirit. This is a fairly new concept to me, since I am one of those who grew up believing such supernatural gifts aren't for today. Rarely have I seen such a profound subject explained so simply and easy to understand. Everything is backed up by scripture, quoted directly as the author presents each point.

Truly a great read, and probably one I'll come back to in my walk with God.

## **Chris Walsh says**

This book is a classic! I have just finished rereading it for the 2nd time, and it is a wonderful resource on the Bible doctrine of speaking in other tongues.

---

## **Abigail says**

This book was so helpful in reminding me of spiritual truths and clarifying certain Christian terminology. It gave a good beginner level. basis about speaking in tongues yet included many things that someone experienced in this topic would still find refreshing. I appreciated that no time was spent condemning others rather he spent his time telling his and others that he knew experiences.

## **Jean Pierre says**

If you want to unlock the power of tongues (the supernatural language of the Holy Spirit) in your life this is

the book to read.

---

### **Johnathan says**

One of the best guides to learning how to work in the spirit, how go into the deeper things of God, how to excel in a relationship with God, and how to work in your giftings'.

---

### **Tim Johnson says**

If you ever want to know about praying in tongues, this is the book. It is well researched backed up by sound biblical scripture. This book will change your life.

---

### **The Book Man says**

It's time to unlock the power of tongues!!!

"I'm not the same person. I have learned to walk in the Spirit, and it has completely changed my life forever."

"No one knows our calling better than the Holy Spirit. He was in the Presence of God when our call was first planned."

"So in order for you and me to enjoy all the wonderful blessings that God has prepared for us, we must fall in love with prayer."

"Here I am, Father. I don't have any needs to present, because all of my needs were met at the Cross two thousand years ago"

### **Taryn says**

This is great! I especially recommend it if you don't understand praying in tongues.

---

### **Gary B says**

An excellent encouragement and exhortation to embrace speaking in tongues - and strong Scriptural and anecdotal evidence for the effect, power and effectiveness of speaking in tongues.

Dave writes in an engaging and helpful way. Parts of the book are repetitive, but I presume that is to reinforce what he's written.

The book is becoming expensive in print, but thankfully Dave makes it available for free as an ebook through Smashwords, Kobo and Amazon.

**Sheralean Stubbs says****Awesome book.**

This book is a must read especially for those new in Christ and have a desire to truly serve God. It is inspiring and provides the writer's real life stories and Biblical Scriptures, that will assist us in our daily Christian walk. This book has shown me that persistence in understanding the will of God is key and that I am to seek God through His word and with the help of the Holy Spirit with unfaltering determination. No matter the trial or obstacle I am to commit myself to the Lord and the Holy Spirit will lead me into righteousness.

I am now more than ever determined to learn the nature and mind of Christ so that I can also start a revival in my country.

**Steve Bremner says**

This book is only good if you practice what you learn in it. That being said, few books outside of the Bible have had such an life-changing impact on me as this one.
