Happy Halloween!

Sesame Workshop

Happy Halloween! Sesame Workshop

It's Halloween night, and Count von Count is dozing off in front of his fireplace. Suddenly, he hears someone knocking at his castle door, but when he goes to open the door, nobody's there! Is something spooky going on? Join Count, Elmo, and all of the Sesame Street friends as they celebrate Halloween!

Andre Gonzalez says

cute Halloween read for the kids!

Alisha says

I thought this was a cute read. I loved and grew up with Sesame Street, and now I love that I have the pleasure of reading about the same characters in books for my son's reading time.

This was so much fun to read to my son.

Kim says

It's a cute little book; easy to read, and bright, colorful pictures!

The characters are easy to recognize, and would make for an interactive reading session with the little ones.

And, I love that it follows the same rhyming pattern as "The Raven" - I think I literally 'squeed' when I turned to the first page and started reading! :)

Julie says

Catchy and clever, like Sesame Street always is. There's a bit of character-recognition, "Who's that dressed up like a pirate?", some counting opportunities, and a rhyme fashioned after Poe's "The Raven."

Rosa Cline says

This was such a fun book to read out loud to my 3 year old granddaughter. We both grinned and giggled through this book! The illustrations are great and the text is fun. Written in rhyme and very creative. Really enjoyed this book!

Tina says

I won this book for an honest review. My kids and I LOVED this book. I loved the fact it was themed after The Raven using Sesame Street Characters. It was very easy for my kids to read and they loved all of the different costumes the characters wore in the book.

Sally says

This is the most popular Halloween book with my grandkids (2 and 1 year olds) - I like it too.

Scott Haraburda says

Goodreads First Reads Giveaway Book.

If you're looking for a great Halloween book to read to your children, I strongly recommend you read them **Happy Halloween!** It was a lovable book involving the key characters of Sesame Street. Who wouldn't love reading about Big Bird, Elmo, Bert and Ernie?

The writing was poetic with well-thought out end rhymes; and the illustrations were great. Not only was the message appropriate for children, it had a wonderful way in bringing the reader (or the child being told the story) into the story itself, using appropriate second-person verbiage.

Happy Halloween! is a book I definitely will read to my grandchildren each Halloween. This is a great addition to one's children's library.

Kim says

Great book! The illustrations were wonderful and the story not too long to read to preschoolers. I just wish the Count did some counting!

I received this book as a Goodreads giveaway.

Bridgett Strawbrich says

Super cute! Explains Halloween, teaches you counting, and has a surprise twist ending that Ben loved!
