It is an amazing book, it has lots of adventures and lots of funny moments too, it wouldn't make sense if you didn't watch the anime or read the manga though, this book was about Naruto protecting the new king of the land of the moons, there are 3 assassin ninja getting money to protect a person who is trying to kill the king, read or watch it for more information, I would recommend this book to anyone who has a sense of humor but mostly 10-3 year olds.
