Reader #3 (LEGO Nexo Knights) Scholastic Inc.

Set in the futuristic, high-tech world of the Kingdom of Knighton, LEGO(R) NEXO KNIGHTS(TM) follows five young knights in their quest to battle Jestro, his sidekick, the Book of Monsters, and their Lava Monster Army. Heroic knight, Clay Moorington, leads the band of knights, including alpha superstar Lance Richmond, hipster Aaron Fox, Macy Halbert, a princess who would rather be a knight, and Axl, the giant. Together, under the tutelage of Knights' Academy mentor and Great Digital Wizard, Merlok 2.0, they join forces to defeat the enemy. This is an all-new reader starring the NEXO KNIGHTS heroes!

Tina says

I rarely review these easy reader books, but this one is about the worst I've come across.

A large number of characters are introduced in the text without being included in the pictures, and often the picture has little to do with the text it's accompanying leading to a frustrating read for little ones.

About: Macy and the King's Tournament is a fiction children's picture book written by Rebecca L. Schmidt. This book belongs to the Lego Nexo Knights series. It will be published on 4/25/17 by Scholastic Inc, paperback, 32 pages. This book is intended for readers ages 6 to 8, grades 1 to 3.

My Experience: I started reading Lego: Nexo Knights, Macy and the King's Tournament as a bedtime story for my 5 years old son on 4/1/17 and we finished it that same night. This book is thin with more pictures than words. I enjoyed the humor in this book. My son loves it because it's Lego. He also loved that some characters from this book came from the other Lego book we read before. We had a blast reading this book!

In this book, readers will follow Macy, a member of the Nexo Knights practicing her skills with the mace in the training room. Her mom interrupted Macy's practice to request her attendance for King's birthday celebration and he wanted her to wear a dress. Macy doesn't like wearing a dress because she's a Knight. At the party, a guest, Jorah Tightwad bragged about his group of knights known as Tighty Knighties were the best knights compared to Macy and her fellow Nexo Knights. A bet ensued and a tournament takes place. In the meantime, the bad guys Jestro and The Book of Monsters were putting together a plan to conquer the kingdom. They will show up at the tournament and we will see which group of Knights handled the bad guys.

It's a great book for kids. I like that each chapter has a title, and it pretty much summarize what to expect in that chapter. The storyline is upbeat and fun. I like that the author allows both group of knights to be good at something. The Tighty Knighties may be good at using his sword to craft a sculpture, but afraid of a battle with real weapons. I like how the Knights are being valued. I always like stories where good wins over evil. I highly recommend this book to everyone!

Pro: cover, humor, friendship, competition, Nexo Knights, colored pictures,

Con: none

I rate it 5 stars!
