Secret Identity Paula Graves

Since leaving the CIA under questionable circumstances, Amanda Caldwell has been living a quiet, uneventful life in a sleepy mountain town. But when Rick Cooper, her former partner—and former lover—makes an unexpected reappearance, she senses things are about to get a lot more interesting....Rick's mission is to protect Amanda and her identity from an assassin who's picked up her trail. It isn't long before working together stirs up all the passion and energy they'd once shared on the job. And in Rick's bed. Still, there's more to Rick's assignment than he can share with his "partner." Revealing the truth wouldn't be smart. But keeping his secret could be deadly.

Theresa Hurley says

Great series - really pulls you in.

Lori Howe says

Love those Coopers . . .

Kathy B. (Tx) says

Great start to a 6 book continuity by Paula Graves. I'm eagerly awaiting book 2 due out April 1st.

Louise Walsh says

Good book. Old loves who find each other again and the bad guys getting what they truly deserve.

Susan says

Excellent start to a new Cooper series, this time with the cousins (six of them -- yay!!). I really liked Rick. He was determined to protect Amanda, whether she wanted him to or not. Rick regretted the way they parted three years earlier, and wanted another chance - but he had to keep her alive. Amanda had been keeping a low profile, and couldn't understand why someone was suddenly trying to kill her. It also made her reluctant to trust anyone - even Rick. But she couldn't deny that she was still attracted to him, and that she still wished they could have a future together. As they tried their best to find out who was behind the attacks and why, a bigger picture came into focus, and they realized that there was more to the attacks than just silencing Amanda. I enjoyed the chance to meet Rick's siblings, and seeing the Gossamer Ridge Coopers again too. I can't wait for the rest of the series!

Gina says

Boring

Kristina says

This is not the first time I have read a book by this author and I enjoy her writing. I would give this story a

3.5 star rating if I could. It wasn't the best book that I read but it wasn't bad at all either. The story was good and I liked how the Cooper family united together. The names of the bad guys got a little confusing at times but all in all it was an ok book. I would read another book by this author.

Kristen says

In Paula Graves's Secret Identity, welcome to the dark world of danger and intrigue. Amanda Caldwell is a former agent who's been keeping secrets and living on the run. When someone tracks her down, she's on the run for her life. We'll see her toss and turn with mixed emotions, when she meets her former flame, Rick Cooper. Amanda's world's turn upside-down, when someone's gunning out for her. And she didn't know why. Three years ago, she couldn't escape her past. And neither could Rick. We'll see how Rick concerns for her and wants to keep her safe. When they come together, the sparks continue to fly. Together, they take on their adversaries in a blaze of glory, when her secrets are exposed wide open. No one wants the truth to come out in the end. What a burning rush!

Jen says

This was a very slow read. I skimmed most of it so I could see what the deal was, but the whole CIA and DOS stuff was a little much. And now I know why everyone thinks DOS and CIA are the same thing, because of books like this.

Gayle says

Secret Identity is the exciting first book in Paula Graves six book COOPER SECURITY series from Harlequin Intrigue. It is a fast paced reunion romance between Amanda Caldwell a covert CIA operative who has been cut loose from the agency, and her former lover Rick Cooper, a security contractor who has come home to work for his families' security firm. Amanda is a tough, secretive lady on the run from her past and the last thing she expected was to have Rick Cooper back in her life.

Secret Identity is an explosive story with a plot that contains espionage, betrayal and a simmering attraction between Amanda and Rick. Both of the main characters are people who are damaged but not beyond repair. I also liked revisiting some of the characters from Paula Graves THE FORBIDDEN series as well as from COOPER JUSTICE series. I am looking forward to the rest of the books, which are all scheduled for release in 2012.

Harlequin Books says

Miniseries: Cooper Security

Category: Suspense

Crystal says

This was the first time I have read Paula Graves. She's great. She kept me on the edge of my seat. Great Book. I bought the whole series and I'm starting the 2nd one now.

Erin Musser says

It was a nice, easy read that did not get boring!

Paula Legate says

I really enjoyed this book. The twist kept coming, the secrets could turn deadly, and the action kept me holding my breath.
