Jacob read this book (1 chapter to mom and narrated the rest to me!)..krb 7/18/16

Mileena says

Stories like this always feel weird and choppy when it's in kid book form for some reason. But it was a decent adaptation of one of my favorite story arcs in the Clone Wars show and I'm complete trash for anything that has Ahsoka in it.

Overall:

This featured some nice screen caps from the episode and made me really in the mood to watch the Clone Wars.
