From Reader Review The Walking Dead, Issue #168 for online ebook

Char Dauterman says

After the loss of Andrea, Rick wonders who he can trust.

Although this issue lacks much in the line of action, it makes up for it with the dialogue. Negan, as always, is extremely colorful and I admit I really sweated it there for a bit when he approached the Saviors. I wasn't sure if he would stick by Rick or attempt to regain control of his former group now that Sherry was gone. I definitely am intrigued to see where this all goes as Rick continues to mourn while those around him attempt to move on.

Amay Singh says

This was a sad one. Everyone clearing up the mess, burying the dead and Rick is in shock with the tragedy that hit him but he is still there for his community like a true leader...

It is very hard to know what Negan is currently up to right now...

It appears that he is Team Rick's tank, but he is Negan, you never know what happens next...
Looking forward for twists in upcoming issues.

Michael says

I would quote Negan, but they would delete my account..... :-)

Addie LeMaster says

Well holy hell. I'm an emotional wreck still.

John Mccubbin says

The Walking Dead #168 ties up some loose ends from recent events, being the perfect way to follow-on from last issue's emotional send off. The creative team also gave us a rather intriguing look into the mindset of Negan, with the former antagonists role in these events being interesting to say the least.

Nicole Magolan says

Not a whole lot went down in this issue, after all the craziness that went down last time, but it still managed to deliver.

It does well to wrap up last issue's events, and carry lesser plotlines to the forefront.

The real stand out of this issue is not doubt, Negan. Character development!!! I love what Kirkman is doing with his character and loved the way it played out in this issue. Looking forward to more of his cunning. Such a fun character...never know what his next move will be. (I'm hoping for more interaction with Carl!)

Randy says

Hey...where's Sherry?

Aidan says

Negan, Negan, Negan.... Has there ever been a character created in comics who has gone through such an intriguing series of twists-and-turns in terms of his role as a primary antagonist (sit down Steve Rogers! Magicy-Wagicy cube-enhanced changes don't count!). The tension in the middle part of this volume is abso-bloody-lutely palpable and Kirkman, as he has done so effortlessly since the Whisperers first appeared, leaves the reader wondering how the heck he will maintain this for the next volume. Bring on 169.

Carol says

****Warning!!! Vulgarities ahead, you have been warned!****

That was a powerful issue and holy fuck, that Negan is one eloquent foot-fucker!

RJ Pritchett says

Nice cool down

Even for a cool down issue after last month's issue, tensions are pretty high still. Glimpse of old Negan and I'm intrigued on the next issue. Not boring, not anything too crazy. Good issue. ?

Nathan Seagraves says

Negan.

Negan's character development is one of the best I've ever seen. After the death of Glenn, I thought Rick was surely going to kill that guy. But now I love him and might riot if he gets killed off anytime soon. This issue solidified the change in him, can't wait to see where they go from here.

John says

The mourning of one of the Walking Dead most beloved characters continues.

Trav Rockwell says

Love Negan backing up Rick Grimes. Great to have Negan on our side.

Spencer says

A surprisingly awesome issue, not much happens but the dialogue is brilliantly written and the development of Negan has been such an interesting and entertaining storyline. His character brings so much to the comic, I hope that the television series takes note and that the new series follows the story of the comics a bit more faithfully.

Komuniststar says

Još jedna epizoda u kojoj uglavno Negan govori više nije toliko iznenađujuča ni napeta.
