U.S. Marshal - Shorty Thompson: The First in the U.S. Marshal Shorty Thompson Series Paul L. Thompson

Saddle up and ride the same wild lonesome trails as U S Marshal Shorty Thompson did in the 1870's thru the 1890's.

Feel the dry heat of hot desert floors and the bitter cold of snow covered mountain passes, as Shorty gets shot, survives as he goes after lawless men.

Though the novels are written about things that happened over one hundred and forty years ago, many of the old towns can be visited today. Many are in ruins, destroyed, but others still survive as haunting ghost towns. Western history lives on in the Shorty Thompson U S Marshal Series.

This is one you don't want to miss. This is the beginning of the Shorty Thompson U.S. Marshal stories.

LIFE LONG FRIENDS

U. S. Marshal Shorty Thompson is on the road again. He's got a good heart/moral ethics toward the human race and the animals both wild and tame. My review will be short and not too wordy

He's up against bushwackers, bigots and just plain bad to the bone men and women. Lots of action from the beginning until Shorty bites the bullet which he's alluded to

Burke F. Ray says

I intend to buy all of Paul Thompson's books ,if I live long enough I have read all of Louis L'Amour I can find,now I have found what. Appears to be a worthy following.

Bad guys lose

Seems like there are lots of bad guys yet the good guys win even if one of them is short. Shorty Thompson is a Saintly short US Marshal that gets the bad guys.

Paul L. Thompson wrote an good book mixing history with fiction. This is a series the most age groups could read and enjoy.

Martha Peebles says

I really love these books on Shorty. He is small in statue but tall in courage. He always gets his man. And along the way he makes a lot of friends and plenty of enemies. I look forward to reading all the books on Shorty Thompson U S Marshall. Thank you Paul L. Thompson for a great read.
