### **Jelly says**

chapter 71-74

#74 exciting ending again. Those cliffhangers...

### **Kahveci says**

Anime nisanda buradan devam edecek, bekledi?imize kesinlikle degecek!

Ke?if birli?i, maria duvar?n?n y?k?lan k?sm?n? tamir etmek ve Eren'in y?k?lan evinin bodrumundaki s?rr? ö?renmek için yola ç?k?yor. As?l olay bir sonraki bölümde olacak gibi duruyor ama gayet iyi bir say?yd?.

### **Callie Rose Tyler says**

Not too much revealed in this book that is a lead up to the epic mission of reclaiming wall Maria.

---

### **Mario says**

Hoooooly shit that cliffhanger.

It is seriously getting harder and harder waiting a whole effing month for the next chapter to come out. Especially when every damn chapter ends in a cliffhanger.

---

### **Sarah says**

**“Some were filled with pride. Some were filled with hope. Some were filled rage. But all of them screamed.”**

YES!! It's about to go down!

---

### **Viedefun says**

Aaaargh ! La fin de ce tome est trop stressante ! vivement la suite !!!

---

### **Veronica Morfi says**

Humans and Titans, which will live and which will die?

---

### **Raeleen Lemay says**

This is another "in between the big action" type of volume, but this one was definitely better than the previous one. The page when Sasha is unleashed upon a hunk of meat was hilarious, and the ending is gearing up for another big battle. On to volume 19!

### **Mal says**

[Mama Jaeger: Do you really have to be special?  
Do you really need people's recognition?  
I don't think so.  
At the very least, not when it comes to this child....  
He doesn't need to become great.  
Why would he have to be better than everyone else...?  
Just look at him...  
Don't you see how cute he is?  
He's **already** great.  
Because he was born into this world.

Me: ;~~~~; (hide spoiler)]

I remember reading this ages ago... so yeah. The series is still pretty good, even though I'm behind a few of the latest updates. I'll probably catch up when the series has ended. *\*apathetic thumbs up\**

### **Bradley says**

I feel like we're getting to an end, but in reality, it's just the need to wait. I love the progression of the story and I'm quite impressed at its speed.

Will they finally take Maria wall? Who knows. It doesn't look good, and the series hasn't been relying on much dues ex machine. Indeed, everything has been well accounted for.
