good book

Aya Zein says

It gives you a bad feeling while reading it, and it leaves you with that feeling

.

.

I don't know why I keep thinking about this book, at first I didn't like it at all, but now I feel I just didn't understand it properly because I'm still not familiar with this type of love due to my age and lack of experience, which I wish at the same time I'll never be familiar with.

It is different, I feel like reading it again after almost a year but I'm afraid it will enhance this bad feeling it gives me about life..
