Michael Peeples says

I great method book, especially for a self-taught adult learner. Provides a good solid base for future learning. My confidence level as I move on to the second book is high. I feel like I can learn anything I set my sights on.

Karen says

Love this book for teenage or adult beginners at the piano.

Jessica says

This book is easy to follow along with. I use it for my beginner piano class in college and don't have trouble understanding anything
