## Brave: Honest Questions Women Ask: Member book Angela Thomas

Brave: Honest Questions Women Ask - Member Book by Angela Thomas is based on her trade book "Do You Know Who I Am? and other Brave Questions Women Ask." This Bible study for women looks at the heart of what women are thinking and feeling. Angela speaks to participants about deep feelings that all women have at one time or another. She looks boldly at some of the fears and struggles of being a woman, and she helps us see how we can be brave in the face of those challenges.

It takes a brave woman to ask these questions and dig into these topics alongside other believers. We've all got insecurities, flaws, and struggles that we're afraid to address. But if we can be brave enough to raise the questions, God will answer us. You've got questions. God's got answers. Be brave. Ask.

I loved this study. I highly recommend it.

### **Jake Fraser says**

This has probably been my favorite bible study. I love Angela Thomas in general..she's always a blessing to listen to...but the workbook was really well done as well. The stories and the questions...in general I really liked it.

### **Lisa says**

I feel bad giving it a "1" but I just don't like it and haven't enjoyed it. My main reason is I'm feeling like I'm learning not anything from the Bible. The homework and reading is more "how does this make you feel" kind of stuff (and the author's opinions) and very little concrete scripture in my opinion. The homework takes 30 minutes for all 5 days and I get very little, if anything, from it. I hate to give it such a low rating but I'm just not into it.

Thorn girls

### **Shelley Whistler says**

Would have liked more study of Scripture, but over all it was good. The homework was enough to get into

the subject without being overwhelmed by the volume of homework.

### **Celeste Goodwin says**

This was a wonderful study!! Angela is awesome! Looking forward to more of her work.

### **Stefanie Kellum says**

In a word: excellent. I love Angela Thomas, and this is one of the best Bible studies I've ever done when it comes to being timely, honest, relevant, and life-changing. There was so much in this study that I just needed to hear right now. Loved it.

### **Cathy says**

My favorite session in this book was the week on the thorn - the prayer that the apostle Paul prayed that God denied. I also brought in S.D. Gordon's book "Quiet Talks on Prayer" on the same topic, and Twila Paris' song "The Thorn" on her "Cry of the Desert" CD. Other topics in Brave were about being tired, broken, lacking self-control, and invisible. We watched the video series with this workbook, and in it, Angela tells some good, gentle stories to illustrate her points. It is a good choice for a Bible study, to go deeper with introspection, balanced with Biblical hope.

### **Kathleen says**

Didn't like the writing style of this book.

### **Trina says**

I liked this one. It was way more "touchy feely" than other bible studies which was a nice break.

### **Julie Stevenson says**

Absolutely wonderful book/study. Angela Thomas is awesome. I saw her at Women of Faith and loved her presentation there. Her Brave Study is remarkable and I just loved having study each week with the women at our church and watching Angela's videos. I highly recommend this book/study.

Great information for women.

This really helped me during a very difficult time in my life. The scriptures and examples Angela used really opened my eyes to the changes I needed to make in order for God to work.
