Still seeking normalcy in the midst of zompile-stricken San Francisco, Buffy contemplates a life-changing decision the likes of which few Slayers have ever faced. ### **Laura says**

Aaaaah, cliffhanger!!! Nooooooooo!!! \*cries a little inside\*

---

### **Whitney says**

This comic gets weirder and weirder, but it's very much the Buffy we love so I can't complain! Still very excited about this series, but really wondering where this arc is going?!

---

### **Victoria says**

I still feel that "seasons" 8 and 9 of Buffy have devolved into nonsense, but it's a nonsensical world with its own charm and some interesting directions--though I might not think so if I hadn't been spoiled on major developments months before reading. In summary: Stupid ideas, nice execution, lots of Spike!

---

### **Alice Rachel says**

Uh what??? ??

---

### **Paula Bee says**

THERE she goes again with the whole 'Spike's not my boyfriend.'

I could probably fill a book with the number of times she says that.  
Okay that was an exaggeration.  
Maybe a page of a book.

But STILL, can she please stop saying that?! It's HEARTBREAKING FOR ME.

### **Kristin Myrtle says**

WTF!

---

**Bubbles Hunty Honest & Direct Opinions says**

Omg the cliffhanger!!!

---

**Adam says**

I did not see that one coming.

---

**Jenae says**

Wasn't too crazy about this one.

---

**Fran says**

What the what now? So, when did that happen and where's the real Buffy? This is more like it, good stuff.
