Didn't They Tell You That I Was A Savage? 2: The Finale Porscha Sterling

Being just a young girl in the hood, wanting love but finding it nowhere, Juicy ends up in a situation that she never expected when she's caught up in a love triangle involving the Savage twins.

Chicago 'Chi' Savage discovers that his own brother has committed the ultimate betrayal when he discovers the ongoing affair that Sin and Juicy have been having behind his back. This sudden shock becomes the impetus to make him get on top of his game and to let go of his addictions. With a clear mind, he refocuses his attention on getting his empire in order, taking over the streets and partnering with a queenpin that can only help him push his name even further. But he can't shake the fact that he still wants Juicy in his life. No matter what they've gone through, he still holds onto the belief that her place is to forever be by his side

Sin, the so-called more subdued of the two brothers, isn't as innocent as everyone thinks and Juicy soon finds this to be true. It was always said that Chi was the reckless brother with the hot temper and inability to control his actions but Sin isn't without his own faults. When his relationship with Juicy takes a turn for the worse, it leads her to realize that she is looking for love in all the wrong places. But will she ever begin to understand what it means to really love and be loved?

Not all love stories are sugar and sweet... sometimes true love has to go through the fire before it can come out shining bright like a diamond. With Chi intent on getting Juicy back, no matter the costs, will the one man who is used to winning it all actually be victorious in the end or is it all a little too late?

This book had everything from beginning to end with so much drama, action, suspense, lies and secrets. It was very emotional what these characters went through as individuals and as well as couples. I loved the growth that these characters went through from the previous installment until now, the transformation was awesome. Powerful love story and I really enjoyed reading this series and about these characters. Looking forward to reading more about them in the future. Great ending to a great series.

Amazing ??

Omgggg ?. This book was amazing! The growth in Chi was some of the best I've seen written. I was rooting for him since book one and I'm so happy he got his act together. Sin showed a completely different side this book, one I was not expecting at all. And Juicy I'm so happy she got her life together and stood up for herself. I loved her and Chi and I definitely would like to see more! I would also like an update on Sin and Kyra as well. This was such a great ending to this series and definitely worth the wait!

As u said this may not be the ending for them n I'm hoping not. Would definitely luv to see them continued in another book! Great job mama! This was fire right here! ???

Chi aka Chicago!!

I loved this book. I came into this book really disliking Chi, but I left it loving Chicago. It was great to see the growth that he went through. Juicy aka Josie showed how to truly get it out the mud and come out on top. She showed how to make lemonade out of lemons. It was interesting seeing a different side of the lovable Sin that we met in book 1. This was a great series, and I highly recommend it.

What A Story

This book picked up where part one ended. From the beginning, this story grabbed my attention all the way to the end. Really I hate that it ended. I was relating to the issues that was brought up in the story. Looking for someone to love you, having low self esteem. But what was she to know the different between all if that when no one has ever showed her. The things going on with Chi. He loved Juicy but he wanted to do what he wanted to do. She finally get tired of his mess, and look for comfort in someone else. Why did she do it and with someone so close to him. There's so much deceit, betrayal, jealousy, love and growth in this story. I'm just hoping there's going to be more to come with Chi and Juicy. Living that savage...A great read indeed.

Great job with this finale porscha. Def enjoyed reading this series. I really started not to like Sin in the beginning of the story but by the end he was ight. I was so proud of juicy and to see her transformation from book 1 to book 2 was amazing. Chi def did a 360 and I actually liked him more in this book and actually became bae. I would love to have a spin off to see how things transpired between chi and juicy

I was happy that you got the series finished and it was worth the wait. I fell in love with these characters . I loved me some Chi even though he was wrong. Juicy and Sin no they needed they butts whooped I don't care how wrong Chi was never get back with the family. I loved watching Chi grow up and realized what he lost in Juicy. Great storyline and I can't wait for the next installment.

Twinning and Winning

Porscha Sterling once again has proved her talented writing skills is definitely worth reading! I was so sure of my choice when book 2 of the series ended, but Chicago came back with a vengeance, changed heart and maturity that I had no problems with changing my mind on who was meant for Josie! Remember everything that glitter ain't gold nor is it good for you! I can't wait to see what the futures hold for them!

Still a work in progress

Chi and juicy a crazy love story. He loves her don't really understand what it is until he thought someone else was getting what he thought was his

His brother open his eyes even it was by sleeping with the girl he loved but didn't know how to show what he felt. Juicy was dealt a bad hand but the way the author kept her heart pure seeing good in every body. I also like how the women marriage she destroyed. Was the woman that taught her to love herself and how to take care of herself with out using her body . Helped her stay on track to get an education and everything else will come to you.

Juicy and Chi

Juicy was so young but I sometimes forgot that she was only in high school because she experienced so much b.s. I did not expect Chi and Sin to turn out how they did. This was such a good ending because it did not turn out how I expected. Life is unexpected, things happen, people change or they stay the same. I definitely see more happening with these two, good or bad. Great ending for a new beginning

Good Read

I'm glad that Chicago got himself together so that he could be a better man for Josie. Josie got herself together so that she would not be dependent on any one but her. I can't wait to see how there story ends. Sin had me fooled I thought he was the good twin boy did he have an evil side. I hope that he gets himself together so that he could be a better man for Kyra.

Enjoyed

Okay I enjoyed book 2 better than book 1 I guess because Chi really matured in this book. Some of Chi behavior shock me because for one I could have sworn when he found out about Juicy and Sin that both of them was going to die but he realized he wasn't the perfect angel and everybody deserve forgiveness even him. Glad Chi and Sin got their brotherly relationship back in tack again because that's really important to have family. I see big things in Juicy and Chi's relationship in the future and hopefully we can still get glimpse of them in other books. On another note so glad I don't have to worry about Precious and Chance ever again because them two heifers got on my nerves. Goodread

Juicy and Chi

This one was soooooo good. Im so happy that Chu and Since didnt go tk war over a female. It almost came to blows, in the end they all prevailed. I'm happy that Meeki saw precious for the trick she really is. And I'm aslo happy about Chi and Juicy or should I say Josie lol made amends and that he knows that he was no good for her until he got his life right. The only thing i tbought could be more of is, what happened with dez and how is the relationship between Sin and Machete. It was a really good book!
