Human milk biochemistry and infant formula manufacturing technology

Mingruo Guo (Editor)

Human milk biochemistry and infant formula manufacturing technology Mingruo Guo (Editor)

Since infant formula often substitutes for human milk, its composition must match that of human milk as closely as possible. Quality control of infant formula is also essential to ensure product safety, as infants are particularly vulnerable food consumers. This book reviews the latest research into human milk biochemistry and best practice in infant formula processing technology and quality control.

Human milk biochemistry and infant formula manufacturing technology Details

Date : Published July 28th 2014 by Woodhead Publishing (first published May 28th 2014)

ISBN : 9781845697242

Author : Mingruo Guo (Editor)
