## **Made for a Miracle: From Your Ordinary to God's Extraordinary** Mike Slaughter

At some time in our lives, most of us have prayed for or hoped for a miracle—an event that seems impossible but is brought about by God's transcendent power. But when miracles occur, did you know that you have a role to play?

If that's true, what's the catch? What do we have to do? What's it going to cost us?

Popular author and pastor Mike Slaughter examines the two components of every miracle: divine action and human responsibility. For a real miracle to take place, we must act with God, using whatever gifts, talents, and abilities we have and directing them toward God's work. We need to follow the examples of Mary in the birth of Jesus, Jesus' followers when he healed them, and Jesus' disciples after he rose from the dead.

This Lent, use your God-given gifts and talents for God's glory, and get ready to be made for a miracle.

Additional components for this six-week study include a comprehensive Leader Guide and a DVD featuring author and pastor Mike Slaughter.

After reading Slaughter's book Dare To Dream to begin the past three years I transitioned over to his new book Made For A Miracle to begin 2018. It's similar in that it's motivational and pushes the reader to move forward and to be looking for God in all of life. The theme throughout is that miracles are not magic, but are a combination of divine action and human responsibility. If you've not read anything by this author I'd always point first to his book Momentum For Life - one of my all-time favorites, but this is a good stuff.
