Marrying the Millionaire Sabrina Sims McAfee

Fall in love with the Brides of Hilton Head Island, Sabrina Sims McAfee's, International Bestselling contemporary romance series. MARRYING THE MILLIONAIRE is an emotional, sexy love story with light suspense. When the alpha men in this series falls in love it's always and forever. And their dashing brides couldn't be happier.

Book Description:

Kayla Crawford is having a bad night. Things are spiraling horribly out of control faster than she can blink her eyes. First her husband walks out on her, and then her grandfather gets into a terrible car accident. The good life as she once knew it now sucks. So when a gorgeous guy makes her an offer she can't refuse, she feels the super sexy stallion must be too good to be true. Or is he?

Millionaire Richmond Spaulding has never gotten over the loss of his wife. A very powerful man, he can have any woman he wants, but all he cares about is raising his precious daughter. Certain that true love can only happen once in a person's lifetime, Richmond thinks his life is okay just as it is until he meets her—beautiful Kayla—who stokes a burning fire in Richmond he thought had long ago vanished. Soon he finds himself doing things just to make her happy and fulfilled, and by any means necessary, he protects her from the one person he knows means her no good.

Kayla made a vow never to trust a man again. Knowing she has a deep rooted secret that could destroy her, she's determined to keep Richmond at arm's length. However, with every tender kiss from Richmond's eyes, and every sinful touch he places upon her, sparks fly between them. Chemistry is ignited, pulling them closer and closer together. The attraction they feel for one another is too hard to resist, so they let themselves fall madly in love, hard. And fast.

Just as Richmond gears up to give Kayla the very best of him by offering her his all, her secret is exposed. Now everything Richmond and Kayla worked so hard to establish with one another is threatened.

Interesting take on a second chance romance

I have never read a story by Sabrina Sims McAfee, "Marrying The Millionaire" was my introduction. I found myself intrigued by the suspense element. I did find certain gaps between believability and story development, I can say that Richmond and Kayla's relationship was true Lifetime movie. I still am left with the eerie feeling surrounding Jason. You understand the Salina portion but what about Leroy. Once the different gaps are filled I think McAfee would have a five star on her hands.

The sub characters is what made you want to continue to read.

Marrying The Millionaire

I think I'm falling in love with this series. A hopeless romantic I am. I loved the storyline and all the characters especially Richmond and Kayla. I think what makes this story so believable is Kayla life. In the end I fell in love with how they became a blended family.

FANTASTIC

This is the second book in this series. I loved it. Richmond Spaulding the hero in the story has lost the love of his life Salina by the hands of a murderer. Leaving him and his young daughter in need of a nanny. Kayla's husband Carson decides one day that he no longer wants to be married so he walks out on her and his young son. Wonderful story full of love, suspense, and hot sex.

Good story

My first book by this author. The story was interesting, even with the immature dialogue between the adults. Loose end between Russell and Richmond.

Marrying the Millionaire

I loved the story of Richmond, Kayla, Isabella and CJ. I recommend this book. Great reading and a lot of intriguing plots.

Marrying the Millionaire

A touching and compelling story. With so much heartache pain surrounding them, Richmond and Kayla found solace in each other. When a horrible secret from their pasts threaten to tear them apart, they have to learn to fight for the bond they share. I teared up a few times reading this story. Great, storyline.

Wow

Awesome read!!! This series will have you hanging on to your seats. I couldn't put the book down. Richmond and Kayla's chemistry was off the chain. Well on to the next installment...do you want to join me? You should ~wink ~

He loves me.. he loves me not

This was an interesting read because I normally don't like suspense. It was an enjoyable read if you love romance but I felt like the female character was too weak and depended too much on the men in her life. There were a lot of erotic chapters.

So this book was just....meh. There were some inconsistencies that annoyed me e.g. if CJ is two at the beginning of the book and then two years pass then he should be four not three.

The whole murderer scenes were just laughable. It was as if the author was undecided if she wanted the audience to know who it was or not.

I think everyone knows Kayla and Richmond would get back together at the end, but to have Richmond breakup with Kayla and then Kayla not be upset that he was acting that crazy about his deceased wife was weird to me. Shouldn't she make sure her future husband is no longer heartbroken. Unresolved guilt, grief, and issues can be a tremendous burden on a marriage....yet she caves that quickly after an already failed first marriage.

Regardless of the aforementioned the main reason why I gave this book two stars is because the conversations weren't believable at all! Like seriously....read them out loud. Let someone else be one person and you be the other....not realistic.

Love and mysterious lies

The story line had me hooked. i read the entire book because I wanted to know how things would be revealed. The reason this book did not get five stars is the profanity. There were descriptive words used at other times, therefore I believe the author could have found other words to convey the feelings of the moment.

Book 2 of a great series!!

Wow!!! Richmond and Kayla relationship was cute! Im so sad how Richmond first wife died, but I'm happy he was able to find love again. Although he gave Kayla hell she did not give up. The secrets, plot twists, and suspense in this book was like a rollercoaster ride! Sabrina is an amazing author and I'm becoming a fan. On to book 3 of the series

LaSonya says

Whew!!!! Talk about an excellent novel. Mrs. McAfee successfully delivers a contemporary romance mixed in with a little light suspense. What a page turner! I actually lost a lot of sleep reading this book but I ain't complaining a bit. I thought Marrying the Marine was good but this one definitely rocks! Well developed characters and storyline. Now on to Book 3 in the series (Marrying Mr. Right).

Isha says

Another okay book from this series

Another book, where condoms aren't being used and a pregnancy occurs. Not much of a closure between Richmond and Russell. Besides that, I'm enjoying the series.

The Millionaire Wins

Richmond and Kayla's story took me in. He worked my nerves about whether or not he was in love, but his mama had to remind him that if things were reversed, he may have done the same thing. The only critical problem is when Alana met Dirk. instead of his name, you kept referring to Shade. Hope that can be fixed. I loved the kids and I especially liked how CJ stood up for his mom.
