### **Dana says**

This was a nice little devotional to read this month...especially since I was in a little rut. There were not many new ideas or thoughts about Jesus or Christianity that I didn't already know (since I've been a Christian for two decades), but I loved the quotes and some different ways of viewing life. I could see how this devotional would be great for new Christians...

Own in paperback.

FS: "Hi. Come on in. Boil it all down, and the outlook for your life basically hinges on one single decision - whether to trust your future into the hands of Jesus Christ or to take your chances."

LS: "You can live. Oh boy, how you can live!"
