The Thug I Waited For Coco Shawnde

Dice Harrison is a young self-made businesswoman. She has been successful in everything she does, but can she add wife of a kingpin to her resume? As her big wedding approaches, everything isn't what it seems to be.

After the hassle of ensuring he was completely out of the drug trade, Chaunce isn't letting his bride to be get cold feet. He's determined to marry Dice and live happily ever after. However, with past secrets comes future plans that can be ruined. What will happen when Dice learns that her retired husband may not be retired after all?

Ai'See Harrison is the younger sister of Dice. By day, she is a pastry chef, but after work, she spends her time trying to escape an abusive relationship. When she is finally free, love is not on her agenda. She's careful not to land herself in the same situation when she meets Hyatt Brooks. Scared to love, but yearning deeply for companionship, Hyatt seems to take her mind elsewhere. However, her ex, Yeno, decides he's not letting go of what he thought they had. He makes it his life duty to come back for her in the worst kind of way. Will Yeno ruin the woman she has become, or will Hyatt save the day?

Morocco Jefferson was a registered nurse who wasn't stopping her career at just that. Full of hustle and goals, Rocco was easily any man's dream. Montreal so happens to be smitten by her ways. He makes it his business to try and build something with her. One thing leads to another, and Rocco finds out unwanted news about Montreal. Not wanting to deal with it, she cuts him completely out of her life. With surprises uprising, will they be able to weather it together when she needs him the most?

Within this standalone novel, you'll dive into the lives of three women who come flawed and with a past of their own. The men who capture their hearts let it be known they're only concerned for the future they can build together. Leaving the past seems like the perfect thing to do, but when it travels full speed to wreak havoc, no one will be safe in the end.

Disappointing Ending

The book started out great. She gave great background on each character and the relationship of each couple. Once that was done, the book went down hill. The plot was never really flushed out and ending seemed rushed. It has potential to be a good read but missed the point towards the middle.

Pamela Johnston Ward says

Whyyyy?

Did you have to do that to Chaunce? My heart goes out to Dice. Had me shedding real tears. He still had a few people that he needed to murk with his brother being at the top of the list. Jealousy and envy can get the best of you and make you do stupid things. Yeno proved this point very nicely. Made me want to reach in the book and choke him out until he stopped breathing and turned purple. Kudos to the author. #sbp

Kingpin

Coco Shawnde I just can't believe Chaunce is gone. I just feel that he is coming back in part 2. Isn't that right Coco?

A MUST READ!!!

Coco never disappoints me. This book was really good. I enjoyed it from the first page until the last...I loved Chaunce and Dice and all the guys and ladies together. I was really sad at what happened to Chaunce...I wasn't expecting that. I hated Yeno and Jariah and they got exactly what they deserved...I will highly recommend this book as a must read. It definitely is worth reading and deserves more than 5 stars. Coco you out did yourself...(SBP)

Great Read

This book was so good from beginning to the very end. Loved the storyline and these characters. So loved the relationship between these couples..the woman were there for each other and had each other's back. The men were real men and they loved their women. So hated what happened to Chaunce and poor Dice, my heart went out to her. This was a awesome standalone and I could read about these characters all day. Job well done Coco Shawnde.

Wow!!

This book was really good. It captured me in from the first page. I feel so bad about how things went down with Chaunce. I'm glad Yeno got what he did. You think you can trust family but this showed you can't. I'm glad everyone else got it together.

Awesome!

This book was so good. I was sad as hell when my boy died. Dice was a true ride or die.

Shanise McGriggs says

Enjoyed This Standalone

Great storyline and some well developed characters..Diced waited for her Thug and I hated she lost him like that.. family sometimes at your worst enemy's.. but overall this was a good read

Alesia Russell says

Awesome Standalone!!

Loved everything about this read from characters, flow, twists and turns. The couples are endearing and wasn't expecting that ending but Dice was true Ride or Die!! Loved Murk and Montreals loyalty and even Litto surprised me!!

My first book from this author

I couldn't get enough of this book. I was hoping for a part 2. Love all characters. This was definitely a page turner.

Siobhan Graham says

Siobhan

This was a good book, I'm sad that Chauncey had to die, poor dice he left her alone to raise their son good thing she has Montreal and Hyatt and her girls to help her out. I'm glad that Morrocco gave Montreal and chance and didn't listen to her cousin who was very sneaky at that. I'm glad that A'isee and Hyatt got together they were good for each other good book can't wait to read what's next from Coco Shawnde

Man....

Mannnnnnnnnnnn I ain't gonna lie to you. When it all went down I cried like a big baby. That hurt me frfr. Great book.

The climax web of insanity could have been explained more on how roles was intwined, however it did mimic real life because we never really know the motives and the inner demons of jealous people. Frfr murk was my favorite character with his fine ass. Hayatt ass was a lil too young minded in his actions but grief will do that I guess. Would have liked to read more about his making up to Ai'see after he did her dirty tho. All and I'll id read it again.

???

Ithat was a page turner I can't believe yeno trifling self ole spiteful behind then got the nerve to walk in his brothers funeral like they wasn't prepared. I'm mad chaunce died though my lil heart broke. This book was everything great job

Michelle says

Dice, Ai'See, Morocco, are all ladies who have fallen in love and love can really hurt sometimes. Dice loved

her husband Chaunce but he is keeping a big secret that can ruin his relationship. Yeno is Ai'See ex but he is also Chaunce brother but there is bad blood between them. Yeno is jealous and want Chaunce business and will do anything to get what he wants. Morocco and Montreal are cute together also Ai'see and Hyatt are meant to be together the losses and heartache they shared only made the bonds stronger.#868
