Count on a Cop

Shadow Chasing

The last man Carla Walker's going to count on is a cop—as far as her love life's concerned. Her dad is a police officer, so she's already decided that's not the kind of future she wants. She knows about the long hours, the unpredictable calls, the danger.

Carla meets Philip Garrison on vacation, and it's more than a holiday fling. She falls for him. Hard. And then she learns he's a cop....

For All My Tomorrows

Lynn Danfort had always counted on the cop she loved—her husband, Gary—but she couldn't count on him forever. Gary was killed in the line of duty, leaving Lynn a widow and a single mom. His partner and best friend, Ryder Matthews, left town soon after. Now, three years later, Ryder's back—and it looks as though he wants to take Gary's place in her life!

Lynn's right; he does. The truth is, Ryder's in love with her. He's just not sure if she's ready to love him. Will her husband's memory stand in his way?

Kelly Tumbleson says

The plot of the first story is unbelievable, and the woman is a psychotic b-. I couldn't finish the second story. It's predictable, but at the same time unbelievable. Unfortunately Macomber has created characters that need slapped and plots that needs aired out. I think I was done when she called the little boy "lad." Sorry to be so negative, but I can't remember the last time I couldn't force myself to finish a book.

Kathy jenkins says

Some old stories rereleased from my favorite author. I'm glad she's gotten better.

? Briansgirl (Book Sale Queen)? says

I read "Shadow Chasing", the first of the two novella's. It was good. A bit of an odd start, but it went okay. Found the heroine a bit too flaky with her fears. (Downgraded star rating due to this.) Second story didn't sound interesting enough so for now, I'm skipping it.

Crystal says

finished the first story the second one kind of dragged and i just gave up on it. overall, an ok story but I recommend reading Debbie books back to back. to go from a thriller to this didn't work.

Moey17 says

I don't know why I keep reading these "classic" stories, the women are weak and overly emotional, and the men are selfish unevolved stereotypes. I keep waiting for the book that set Macomber on the track she is on now, she has definitely gotten better, especially with the depth of character of her protagonists. Not a worthwhile read at all!

Gigi Ann says

These two stories were light romantic, fun and delightful stories. The kind of stories I like to call "Mind Candy" reading. They were light uplifting stories, enjoyable, but also stories with an emotional journey of the heart with lovable characters. I enjoyed the book enough to award it 4 "Lovely" stars.

This book is a part of my personal library

David A. Carey says

Two stories in one book. Both were quite good if very different.

Nancy says

The start of book one was a turn-off for me and the angst was high. But appreciated all the Mexico info and was amused by Carla's Spanish attempts. Shadow Chasing a solid 3 star.

2nd book solid 4. Nice cohesive story. All the characters were "well drawn". Ryder is a honey. The ending was super.

Audra says

Seriously??? They fall in love in 3 days. She keeps running away and he lets her have her space but then magically shows up to help calm her. Gag!

Jackie Wolfred says

Two good stories in one volume.

Dana says

Neither story held my attention. Both were completely implausible. I really like McComber's later work but this early stuff getting repackaged is just disappointing.

Carolyn says

Although old fashioned I liked this compilation. The second story more than the first, I think.

Catherine says

First story,cute,but stupid. Carla won't marry a cop, but she will tease him and lead him on. She was immature and childish. Second story OK, but there was no understanding between them. I can't recommend this book.

Jessie Johnson says

Really disappointed in this story. First off what man will continue to peruse a woman who childishly gets upset and storms off. The second story the way he was persistent about them was semi like a stalker and gives women the wrong impression about saying NO in a relationship. Even after they are married she plays in to the submissive role.

Debbie Pierson says

Good. These are two of Debbie's older stories both about police officers.
