I liked the way that they turned into beasts.

How did they do it?

Because Spar had a magic spell.

Why did they do it?

Because they had to disguise themselves as beasts because they were supposed to be the messengers to give Ko the treasure.

What was the treasure?

I don't know.

Sydney says

its about these bandits stole a treasure that came from a orkin to give to Ko a beast so they disguised them selves as beast from Ko to get back the treasure so when Ko came to have a dinner with them the spell was beginning to wear off so when it wore off they quickly grabbed the treasure chest and escaped and Galen came back with the orkin who can open the treasure chest.

I've decided to read The Secrets of Droon series entirely for Christmas since i've been feeling a bit nostalgic. I want to be able to live a bit of the magic of being a kid and what beeter to help than this incredible series. I know that this series is for young kids but i feel it will still be great after all these years. A good adventure with plenty of action and twists. This book was a fun adventure with some villains that we had met a while back. This felt like the start of a bigger and better adventure.
