## Counterfeit Love Blake Karrington

Perhaps the famous singing group, the O'Jays, sang it best, "For the love of money, people will lie, Lord, they will cheat. For the love of money, people don't care who they hurt or beat..."

In this epic tale of lies, deceit, and suspense, come witness what happens when a set of money plates get into the hands of a local tyrant from North Philly. These streets are flooded with counterfeit money, fake love, and deceptive friendships in pursuit of that all mighty dollar. Sanaa, a well-known female gambling house owner, is at the top of her game. But after she decides to inject the counterfeit currency into her business, all hell breaks loose. Guns are drawn and opposing sides are taken.

The city of Philadelphia becomes the Wild, Wild West. Stirring up skeletons that Sanaa and her best friend Joy thought were buried when they left the south; back in Atlanta Georgia. Real or fake, with millions of dollars still to be claimed, all the wolves come out – and the hunting season begins.

Will the love of that mean green shatter families and friends? Or will they prove that money can't buy everything?

### **A Good Story**

This book was different. It had a country/wild wild west feel to me. Too country for me. If not for all the murder and drama, I wouldn't have liked it. I'm not a fan of westerns. Lol. But as always with Mr. Karrington's, books I got to know and like the characters. I have to read part 2 to see how this plays out. In my opinion, this is not his best but is still a good story.

Why, why, why did this book have to end. It was different from his other books, but in a good way. If part 2 is anything like part 1, it's going to be a must have and a must read!!!!!!

#### **Hmmm**

This read was ok. It had a lot going on and too many characters to keep up with. It was somewhat confusing to me.
