## **The Affair: Week 2 - Soon** Beth Kery

FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF WHEN I'M WITH YOU AND BECAUSE YOU ARE MINE...

The Affair continues from New York Times bestselling author Beth Kery as a man's secret leaves an innocent woman exposed, vulnerable, and desperate...

### The Affair Week Two

Emma is unlike anyone he's ever known, fresh and surprising, sweet yet intensely sensual. He knew he shouldn't touch Emma but he's a Montand, after all. Strong sexual appetites and selfishness run in his blood—no matter how much he'd wish otherwise...for Emma's sake.

Emma can't help but feel somewhat compromised by the impulsive sexual tryst she shared with her billionaire employer but Emma has to admit...she wanted it. Besides, working in Montand's sprawling mansion as a hospice nurse to Montand's stepmother, Emma anticipated a few surprises. Still, she never expected what came next: an exquisite gift, an apology and a proposition—a sexual affair that promises to fulfill every fantasy Emma ever had. And a few she never dared imagine.

But a deathbed revelation from Montand's stepmother is about to shatter every illusion Emma had about her position at the Breakers, her future with Montand, and her own innocence.

## From Reader Review The Affair: Week 2 - Soon for online ebook

### AngelinaT says

Wow....this was a steamy read! In this installment Emma and Michael get together and start their affair. Christina delivers a message on her death bed and there are still so many questions and I can't wait to read on! We find out who Vanni is and although I had my doubts I didn't really think it was who it is! Finding out who he is opens up more questions again. SO glad the next installment is out and I don't have to wait!

---

### Jacqueline's Reads says

#### 4 Stepping up a notch stars

Wow, if you read The Affair Book 1, then you should be blushing because of all of the heat! I'm a mega fan of Montand, he's just a ball of sex on a stick and yes please, but I'm digressing.

I like how Emma takes care of Montand's stepmother. She's a good person, with a good heart and with good intentions. She did have a boyfriend and that made me feel a little nervous (you know how I feel about cheating), BUT the book is not about cheating, it's about the relationship between Montand and Emma (we dodged that bullet didn't we).

Montand doesn't believe he's a good guy, but he desires Emma badly. The steam and chemistry between Montand and Emma is off the charts good. It's a little kinky but it doesn't make me uncomfortable, just more interested.

More questions come to arise, like what is Montand's past? What's the deal with the stepmom? Very curious and it will keep you begging for more.

### Judy says

Steamy.

Knowing Acceptance and rejection.

Learning Forgiveness.

---

### Melissa says

The worst thing about a serial is having to wait for the next part of the story to be released. Luckily, I was able to get this one right away because *Week One* ended just when it was getting really good!

Michael and Emma definitely have a strong spark between the two of them. The only problem is Michael believes she deserves better. He's dark and moody, and admits to being selfish. So what does he do....he's rude and pushes her away. It only takes a few days for him to realize his mistake and to apologize. He doesn't do relationships, but he still wants to have a sexual affair with her. It's an offer she would be crazy to refuse!

They are so hot together. It's the perfect mix of lust and sexual tension. Their night at the beach was intense! I love that they both have awakened something unexpected in the other. What I'm worried about is his past and the secrets that have been alluded to involving his stepmother. I can't wait to see where this story takes me next.

*"Only a selfish asshole would take advantage of you when you're this upset. I am selfish. But I don't want to be. Not with you."*

### **Michelle Cage says**

Great read. This left me wanting more. Looking forward to next week so I can read part 3.

---

### **? Anuhea ? says**

Of course there has to be an arrangement that involves sex only and there's no chance of anything more. Never read anything like it \*rolls eyes\*

---

### **Aly is so frigging bored says**

It usually is good, but unfortunately has attacks of purple prose, I don't think it can help itself... If the 3rd part has them as well, I'll have to take a break.

---

### **Sandy S says**

3.75 stars--I was gifted the series as a set. This is a review for the entire 8 part serial-

Innocent yet unconventional hospice nurse Emma Shore has secured a new position at The Breakers, the sprawling mansion of enigmatic and dangerously handsome racecar billionaire Michael Montand. Hired as caretaker for Montand's stepmother, Emma expects few complications. But one night, lost in the mansion's maze of corridors, she comes upon a woman and a man she can't identify engaged in a raw, naked interlude of sexual subjugation. Silently, from the shadows, Emma watches - shocked, appalled, and unnervingly

aroused.

But Emma wonders... if this mysterious stranger is not Montand, then who is it? And what other surprises are in store for her? Night after sleepless night, she's considering the possibilities. And for the first time in her life, she's not going to run away from them.

~~~~~

3.75 stars--THE AFFAIR is the latest contemporary, erotic romance serial by Beth Kery. Released as an eight part serial THE AFFAIR focuses on hospice nurse Emma Shore and billionaire/racecar owner/developer Michael Montand.

Told from close third person point of view, the eight part storyline follows the building relationship between Emma and Michael. Emma's position within the Montand household has an expiry date-hired to care for Michael's dying step mother, Emma 'accidentally' witnesses Michael and another woman in a BDSM scene. Both turned off and turned on, Emma will come face to face with the man who would eventually bring Emma into his world. When Emma walks in on her boyfriend of two years having sex with another woman, Emma is free to explore what it is she truly wants.

The relationship between Emma and Michael begins as employer and employee but soon develops into something more. When Michael tells Emma he doesn't do relationships and the only thing he can offer is sex, Emma offers Michael five weeks of sex and adventure then she will walk away. Michael will soon realize that five weeks with Emma is not enough-he wants a lifetime. The sex scenes are numerous, intimate and provocative.

THE AFFAIR is also a story of family, betrayal and letting go. There are moments of heartbreak sorrow for a man who has lost everyone that he has loved and in return was rejected by the one person who should have been there from the start. Michael's family is the epitome of dysfunctional and in this he is a man who will not commit to something more.

The world building brings the reader onto the racecar circuit and Grand Prix tours of Europe. The secondary characters include both Emma and Michael's extended family members, friends and frenemies. Everyone has an agenda or a connection to the past.

The writing style is simple. There is no over the top angst or anxiety as the outcome is predictable. The BDSM premise is secondary to the storyline but it does command a good portion of the story. Michael's persona did not scream Dominant but more of a need to control the world around him. The billionaire Dom and inexperienced sub is a familiar scenario. There are no hardcore BDSM scenes, no safe words, no anxious moments or questions of consent.

THE AFFAIR is an erotic romance storyline with a happily ever after. Fans of Beth Kery will recognize her signature BDSM storyline trope and you can't help but fall in love with her leading characters.

## **Laura says**

The second installment in this serial did not disappoint! This was full of scorching hot chemistry. Steen Michael and Emma. I have previously not been a fan of serials, but this one is written very well, and, at least for me, leaves the reader aching for more!!

Title: The Affair: Soon

Author: Beth Kery

Publisher/Year: Penguin Group 9/22/14

Length: 73

Series: The Affair #2

### Overview

The Affair continues from New York Times bestselling author Beth Kery as a man's secret leaves an innocent woman exposed, vulnerable, and desperate...

### The Affair Week Two

Emma is unlike anyone he's ever known, fresh and surprising, sweet yet intensely sensual. He knew he shouldn't touch Emma but he's a Montand, after all. Strong sexual appetites and selfishness run in his blood—no matter how much he'd wish otherwise...for Emma's sake.

Emma can't help but feel somewhat compromised by the impulsive sexual tryst she shared with her billionaire employer but Emma has to admit...she wanted it. Besides, working in Montand's sprawling mansion as a hospice nurse to Montand's stepmother, Emma anticipated a few surprises. Still, she never expected what came next: an exquisite gift, an apology and a proposition—a sexual affair that promises to fulfill every fantasy Emma ever had. And a few she never dared imagine.

But a deathbed revelation from Montand's stepmother is about to shatter every illusion Emma had about her position at the Breakers, her future with Montand, and her own innocence.

### My Thoughts

Coming out of the first few chapters, there was a lot going on for Emma - her boyfriend and sister hooked up, she's discovered an attraction with Michael who's the dark and standoffish step-son who's paying for the care of her patient - Cristina who's on her death bed. Ok - all caught up.

So in this second installment, the questions that we're left to ponder are what will come of the sister/boyfriend hook up - and what will that mean for Emma. From what we saw in Emma's reaction - while she feels betrayed, she doesn't really care. Add on her sparks with Michael, and well - you know that it's going to be great.

So we see in these next chapters the dynamic growing between Michael and Emma. We know that he thinks

he's wrong and bad for her, yet Emma really wants to see what the feelings mean. Typical to the genre - we see that they get a hint and taste of their passion, and then someone flees this time it's Michael. He puts some distance between them and leaves Emma off balance. I think that we'll begin to see something real happen here, but for now we just get a lot of chemistry that's really hot and intense.

The other bit to the story is Cristina - she seems to have a soft spot for Emma and I'd love to know more about that. I don't know that we'll get the chance though given how sick she is. I also wonder about the connection and relationship with her and her stepson. we know that they clearly don't get along or even like each other, but i'm sure there's a story there and it'll be interesting to see how and when the details come out.

So, i guess it's a wait until next Tuesday to see what comes next in week 3, and i for one have been sucked into these characters. I'm not sure about anyone else, but i'm not quite decided on what i think about Amanda and Colin and i can't wait to see what our author comes up for those two. Enjoy!

---

### **Ryleigh says**

so loving this series. can't get enough!

---

### **Susan says**

Alright next week is too far away, I need week 3 of The Affair ASAP! This series has sucked me in and I need more. Once again Beth Kery does not disappoint! BRAVO

---

### **iloveladyporn says**

This week things get hot and heavy. After Montand runs out on Emma he then makes it up to her a few days later. The sex between these two is intense and beautiful. This happens for both of them that they didn't expect. Before Emma's patient passes away things are said that leaves Emma a mess. Personally I'm not sure why she is so upset, but I'm sure it will all come out next week!

---

### **Aseel says**

The Affair: Week 2  
Soon

" indescribably moving experience" let's quote Beth in descripting these 5 chapters  
why ★★★★not ★★★★★  
simply because no matter what Emma would not forgive Amanda for what she did and continuing doing

---

## AH says

Part 2 of **The Affair** was quite steamy.

We get a little bit of character development. Emma's relationship with her sister Amanda is strained. You get an idea of what kind of person Emma is by the way that she handled her sister's betrayal. Rather than stomping off screaming, Emma is calm and handled the situation with grace and poise.

Micheal is fascinated by Emma. Micheal is still a bit mysterious and oh, so sexy. I love the author's descriptions of him. Yum.

This section was about 4 chapters long with a bonus chapter preview of one of the author's books.
