Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature.

classic reverie says

I will come back here when I want to read Joseph Conrad's short stories. I tried to find a combination with short stories and novels but they lacked a large amount of his short stories. I found this fairly good navigational wise and so far no errors in this Kindle edition. I plan on reading here and highlighting and taking notes when I read his stories but the reviews on the stories themselves will be listed under the title.
