My first ever book by Poornchandra Tejaswi. Short stories with gist can be shown for 3 hours on screen like Tabarana kathe movie. Very nicely narrated and touching stories. For full details of book in Kannada please visit below link and share your opinions.

Another collection of stories in almost above lines. Was curious to know how the “story” was of Tabarana Kathe that was adapted to big screen and got awards. That time, kid I was then, for me, Tabarana Kathe had formed a benchmark for art cinema and to win National Awards and to be telecast on DD. And it was the synonym for boring films. I dont remember the details of it now, but story was also not any descriptive/ narrative compared to few other stories in the book. I wonder if Tabarana Kathe had got that treatment, many ohter stories from this book can get much better ! It is a collection of stories written over many eyears and the last story is very very difficult to comprehend.(Just like the foreword).

It is a collection of short stories. Each story is a meaningful one. I personally liked 'Tabarana Kathe'. It still reflects the current situation.

Very versatile writing. From the thought process to the place to the language, it so unique, so consuming. Loved most of the short stories in it. But my favorite is "Tyakta" Kubi mattu iyala" and 'abachurina post office'
