# Civil Litigation: Process and Procedures

Thomas F. Goldman , Alice Hart Hughes

**Civil Litigation: Process and Procedures** Thomas F. Goldman , Alice Hart Hughes

*Civil Litigation: Process and Procedures, Third Edition*, is designed to help students build the skill sets needed to succeed as members of today's civil litigation teams. An Instructor's Manual, PowerPoint lecture slides, and test bank are available for use with this text. **Teaching and Learning Experience:**

The text clearly presents legal concepts, emphasizing the details of the litigation process, critical thinking, and hands-on exercises that develop practical law office skills.

Supporting multimedia resources include 46 video case studies that illustrate each stage of the litigation process, showing the day-to-day activities of the litigation team preparing and trying a civil case in a real world setting.

**Patrick Haga says**

Overall, this was a good book. The examples and forms that were provided helped a lot when working on assignments for class. The interactive material was a little redundant, as it just stated what had already been stated in the book, but after reading the same thing 3 times, I really understood the concepts.
