Ghost in the Cowl Jonathan Moeller

Overview

Caina Amalas was a nightfighter of the Ghosts, the spies and assassins of the Emperor of Nighmar, and through her boldness and cunning saved the Empire and the world from sorcerous annihilation.

But the victory cost her everything.

Now she is exiled and alone in the city of Istarinmul, far from her home and friends. Yet a centuries-old darkness now stirs in Istarinmul, eager to devour the city and the world itself.

And Caina is the only one that stands in its way...

Mary Catelli says

book 1 of Ghost Exile, but very much after Ghosts, so spoilers for the earlier series ahead.

Starting with how Caina, on her way to her exile as a circlemaster in foreign Istarinmul, is brooding and grief-stricken and throws knives at the mast -- well enough to get a job offer from a circus.

Once there, she goes to piece together what happened to the Ghosts who vanished there, and meets the sister of the old circlemaster, running her coffee shop, and hears about the slavers' drive to get ever more slaves. When a forged document is used to seize the sister's sons and servants, Caina devises a mad plan to rescue them.

The rest involves losing at cards, claiming to have lice, forging a key, a rampage against slavers, the drug wraithblood that is plaguing the city, a woman who can calculate Caina's height and weight, and more

Sara says

Enjoyed the heroine. Refreshing that she is still strong even in her weaker moments. I also liked the the fact that she had already been in love and lost. Too many books focus on the heroines chance at love or her new lover. I liked that he made her who she was in this book, but the story wasn't ruined by mushy love scenes.

Rebecca says

I did enjoy this first book of the Ghost Exile series but it felt a bit rushed. Caina didn't really have a lot of time to grieve properly but is still setting things alight and saving the world. I'm hoping we may see a return of old characters who have disobeyed the emperor to see Caina and check she is OK. Surely Theodeosia would or Ark? On to the next book now so we shall see...

Pranesh Sreekantan says

Misleading title but still an interesting read!

Ijka says

loved it! never been a fan of the cliffhanger but with a series this good, every book feels like a cliffhanger. bring it on ghost in the maze

Ioana Unteanu says

a wonderful new beginning for Caina. New characters, new villains, all well-sketched. And the mystery of the new master-villain replacing Jadriga is growing. Love the series!

Julie says

There are lots of typos in this one.

Jeana says

Great, fierce characters. Nicely imagined world. The only two fallbacks (for me) were 1) overlooked editing mistakes and 2) I wish there was a little more romance for the main character... I am looking forward to continuing the journey in the next book.

Francis Chamberland says

Ghost in the Coal (Ghost Exile Book 1) (World of the Ghosts) Review

Dear Jonathan, here we are again reading a new adult series from your fabulous creative mind. As you know I really enjoy reading your stories and this new series is a wonderful and imaginative story with an excellent plot line. As always, your characters and imagination are interesting, and fun to read. I highly recommend reading this book and series to adults interested in reading a great story. Thanks for the entertainment!

lynnette white says

Ghost exile

Just read ya book and find it gripping. Can't wait to read the next book. Once start reading can't put it down

Tony Hisgett says

With the start of a new series *Ghost in Exile* there should have been an opportunity for the author to start 'small' instead of a yet another 'end of the world' scenario. Unfortunately the author just couldn't resist the temptation and by the end of the book it seems we are again in an end of the world situation.

The majority of the book was an excellent fantasy adventure. The story starts with *Cania* trying to decide whether she should rebuild her life, or just give up. When her landlady suddenly needs help, it is the incentive to again wear her shadow-cloak and get back to bring retribution to the endless evildoers.

I really enjoyed this book and it has revived some of my faith in this author.
