Three to Get Deadly

A "saintly" old candy-store owner is on the lam--and bounty hunter extraordinaire Stephanie Plum is on the case. As the body count rises, Stephanie finds herself dealing with dead drug dealers and slippery fugitives on the chase of her life. And with the help of eccentric friends and family, Steph must see to it that this case doesn't end up being her last...

Four to Score

Stephanie Plum, Trenton, New Jersey's favorite pistol-packing, condom-carrying bounty hunter, is back--and on the trail of a revenge-seeking waitress who's skipped bail. With the help of 73-year-old Grandma Mazur, ex-hooker Lula, a transvestite musician named Sally Sweet, and the all-too-hospitable, all-too-sexy Joe Morelli, Stephanie might just catch her woman. Then again, with more mishaps than there are exits on the Jersey Turnpike--including murders, firebombs, and Stephanie's arch-rival bounty hunter chasing after the same fugitive--Stephanie better watch her back big-time if she wants to live to crack this case.

I read every one of these as soon as they come out. A few were a bit predictable, but still entertaining. Light beach reads - fun.

Shelley Lee Riley says

I have friends who have read only one Stephanie Plum book, hated it and wouldn't consider picking up another. I don't understand this; I mean seriously, nothing was funny? I love these books, I laugh until I hurt, and then I laugh some more. Read a chapter, if it's not funny, so be it. Not for everybody I guess. But please read a chapter...you may thank me.

I absolutely love the Stephanie Plum series. It is a brainless, fun read that literally makes me laugh out loud. Pretty much every book has the same story line, but the characters are hysterical. Luna and Grandma Mazur are my favorites! I wouldn't mind "meeting" Morelli and Ranger and when I have read a lot of heavy books, these are great "quick reads" to lighten my spirits and enjoy.

I thoroughly enjoy the Stephanie Plum series. Books 10 and beyond started getting a little monotonous for me (my personal opinion) but otherwise I find Janet Evanovich's books to be very light and entertaining reads.

Natasha says

big fan. read all the books as they came out..even read some twice...hope there is more to come

Susan says

I think Evanovich is one of the funniest writers ever and I've read just about everything she's written. I've even had to watch where I'm reading her books because I tend to laugh out loud in some parts and then people start to look at me rather strangely.

Jennifer says

I LOVE the Stephanie Plum series!
