## **Lady Be Good: a Blackbird Sisters (and Friends) Prequel** Nancy Martin

While launching her new career as the etiquette expert Dear Miss Vanderbine, Grace Vanderbine finds herself snowbound in Pittsburgh, of all places, and the hero who rides to her rescue turns out to be a local celebrity who has a few insights into the good manners business. But Luke "the Laser" Lazurnovich is a retired football player with more on his mind than helping a damsel in distress. Their initially chilly relationship turns into a road trip filled with quirky characters and unlikely social situations--not to mention a few hot nights. Grace's sister-in-law Nora Blackbird needs help, though, so Grace and Luke become detectives. Nora's sister Emma Blackbird has gone missing--and perhaps she's mixed up in the mysterious death of football quarterback Jake Kendall, who died before his involvement in illegal gambling came to light. Grace and Luke may be the only ones who can crack the case. But what they learn may jeopardize the feelings that are blooming between them.

**Karen Voitik says**

>Book Review – Lady Be Good

>I am an independent reviewer. This book is a prequel novella in the Blackbird Sisters series and ends in an HEA. Grace is the sister-in-law of Nora Blackbird. Grace is taking over as a Miss Manners-type from her mother and embarking on a book tour. Grace meets, and is forced to spend time with Luke, an ex-NFL player during a stretch of bad weather on her tour. This story sets up the trouble with Emma Blackbird's dead husband and his issues with the dangerous Abruzzo family.

>I love Luke and how friendly he is. He wins over the super polite Grace. I disliked the scenes with Luke and his buddy's wife. They seem overly friendly. If I were Grace, jealousy would be rearing up. The love story is a sweet one, while introducing Nora and her family. This book is appropriate for an adult audience. I am giving this novella 5 stars.

---

**Barb Foerst says**

I really enjoyed this novella. This is a great prequel to the Blackbird sisters books.

---

**Sue Ross says**

Lady Be Good is a novella that takes you back to the beginning of the Blackbird Sisters series. In this one, Nora has just lost her husband, hasn't met her future husband and is taking care of sister Emma. She hasn't moved back to the family farm yet. You will meet her sister-in-law and find out more about her. I love the Blackbird sister mysteries and I'm glad that I've been introduced to others in the family. I hope there will be many many more to the series.

**Gabi Eagon says**

**Nora's sister-inLaw Grace Vanderbine.**

Awesome prequel to the blackbird sisters. Grace Vanderbine is Nora's sister-in law. Another force to be reckoned with. Don't miss this prequel.

**Nice enjoyable read**

Not five stars because it really doesn't go anywhere. It's about the cha getting to know on w each other only. They ate thrown together then must sort out their feelings. I loved the fact the love making was left up to the reader and not poured down your throat. Makes me want to try another book by this author. Great characters being developed.

### **Deborah Fry says**

#### **Miss Vandebine**

I absolutely loved this story. Nancy Martin scores again!  
Would love to read more about Luke and Grace please.  
Thanks for a wonderful read!

---

### **Beth says**

#### **Disappointing**

The timeline is out of sync with the Blackbird mysteries that I have been reading for years. All of the significant events in Nora Blackbird's life were represented here as far more contemporary than in the books. The main character was one dimensional

### **Dharia Scarab says**

Cute story, it reminded me of what I liked about the first 4 books.

Since I don't normally write reviews unless I have something specific to say, here's the break down of how I rate my books...

1 star... This book was bad, so bad I may have given up and skipped to the end. I will avoid this author like the plague in the future.

2 stars... This book was not very good, and I won't be reading any more from the author.

3 stars... This book was ok, but I won't go out of my way to read more, But if I find another book by the author for under a dollar I'd pick it up.

4 stars... I really enjoyed this book and will definitely be on the look out to pick up more from the series/author.

5 stars... I loved this book! It has earned a permanent home in my collection and I'll be picking up the rest of the series and other books from the author ASAP.
