## **Love Isn't Enough** Vanessa Miller

Sometimes love just isn't enough and Hannah Ellison is sick of pretending.

She promised to love, honor and cherish her husband, but Thomas kept secrets. And now as Hannah wades through all of Thomas's unpaid bills, baby mama drama and her inability to conceive... she must decide if love is enough to keep her at home when her heart and mind is in turmoil over something that only God can fix.

This short story is loosely based on the Old Testament story of Hannah's pleas for a child of her own (1 Samuel 1:1-2:26).

## **Shalone Anderson says**

Short and sweet, but very intriguing. Vanessa Miller has a way of getting the message across in a way that will draw you closer to GOD. In this short story Hannah doesn't do the one thing that everyone should do when faced with situations. She went to GOD. I love the way Vanessa Miller's novels encourage a deeper relationship with GOD. Love Isn't Enough was a very pleasant read.

### **Good Christian short story.**

This book will show you just how awesome God's grace and mercy can be. It is not because we are so worthy but because God is faithful and he is still on the throne.

### **Wonderful book so inspirational**

This a wonderful inspirational book. A short with emphasis on an integral part of the old testament. This book is a good example of "Trust God and be Faithful."

Vanessa Miller cleverly wrote a short story on the basis of Hannah desperately wanting a child, and was taunted by another woman having her husband's child. Well Miller definitely was able to demonstrate this notion in the short read. Hannah had to accept her mate adulterous behavior, lying, and behind on bills because he wanted to live the finer life on a lower fixed income. How much can Hannah bear and stay there with Thomas? She leaves, and leans to God and begs for something that she desires most...eventually it happens. The story ends...and I was left like what!

It was a great short story. I liked it most for its honesty. The characters were real and God worked it out for them as he does everyday for all of us; whether we know Him or not.
