It was the best book in read and you got in her books from the start . Me and my mom want to read all of her books in the Cowboy series.

Dorel says

I'm sorry I stopped reading this story at chapter 5 because it didn't hold my interest.

Deliasue says

Takes place in Oklahoma where the prodigal son returns, but will he stay?

Kate says

I ended up reading the "Cooper Creek" series before reading "The Cowboy" series, so I was familiar with a lot of the townsfolk in Dawson. I had seen hints of Jeremy and Beth in the Coopers' stories, so I knew how the story would end, just not how it would play out.

I liked how Beth needed to learn to trust, and not just assume that even though Chance had hurt her, everyone else would (or might). I liked how Jeremy needed to let go of his anger at his mother, his father, and the circumstances in which he grew up. I liked that both of them made those needed changes and were able to move forward in God's plan for their lives.

Even though this is technically not the last book in "The Cowboy" series, I feel it was the best segue possible into the "Cooper Creek" series. I'm glad I read both series, and will definitely read more of Brenda Minton's work.

This was good book. Jeremy Hightower has come and purchased land with the church on it. The Back Street Church has been closed for a long time.

Beth Bradshaw want to keep the old church and is doing everything she can the to keep it.

A tornado comes through and the church becomes the shelter for those who need it. Jeremy is still wanting to tear it down but after many things he realizes just how important it is.

He give is to Beth who turns it into a community center.

Jeremy comes back and realizes that he love Beth and she love him. They end their marrige in the old Bible that she has. They love each other and that they can get through anything through that love and the help if the Lord

I am not a big romance novel reader, especially Harlequin Romance, but this story was good. The inspiration series was not that bad. I liked the story a lot. Seemed more real, seemed like the guy was respectful of woman and treated them with respect and kindness instead of dragging them off to who knows where and take advantage of them.

Deanne Patterson says

An old ,broken-down, abandoned hundred year old church should not be all that Bethlehem has left for memories of her mother who died when she was ten ,but it is. Her childhood boyfriend, Jeremy is back in town and has the brilliant idea to bulldoze the church. When they are together again she fights memories of the times they had together before but she feels those old feelings resurfacing again. She tries to do everything she can do to block the destruction of the church. When Jeremy and Beth are at the church a tornado sweeps through town and a lot of buildings are destroyed. Fortunately the church is unscathed. The church is then set up as a shelter for the towns people and they are so appreciative. As the bulldozer is in front of the church ready for destruction, Beth steps in front of it and refuses to move. Does she get her way ? Will the church stay standing ? I think you'll enjoy reading The Cowboy's Homecoming and finding out !

This is book eight in the Cowboy Series. An excellent series in Dawson, OK with the Cooper family. Brenda Minton teaches some good God truths in her stories.

Shirley Hester says

Very good book. Hard to put down.

Tammy Cable says

Best book in the series! Characters were strong, facing a challenge but never whiney about it! Not much

about how God or their testimonies of him actually helped them through the challenge though.

Barbara says

I didn't bother finishing this book because of the tired trope of "small town life trumps big city life" at play here. Bethlehem (Beth) Bradshaw wants to save a 100-year-old church building that has fallen into disrepair but prodigal son Jeremy Hightree (Cooper) has other plans, namely, bulldozing it and repurposing it.

Beth does and stays stupid things throughout this book and it's a wonder that Jeremy sees her as anything more than a nuisance. I am sick to death of reading books with heroines who are dumber than dirt. Read it only if you're really bored.

J. says

A tortured cowboy, an abused heroine, a natural disaster, and a good dose of laugh out loud humor make Brenda Minton's latest book, *The Cowboy's Homecoming*, a timely and entertaining romance. Minton's gift for creating heroines who struggle to become self-reliant and heroes who strive to become better men is showcased in the story of Jeremy Hightree and Beth Bradshaw. Packed with plenty of action, topical issues, old friends and new possibilities, the book focuses on the themes of reawakened love, redemption and forgiveness. As a stand alone read, *The Cowboy's Homecoming*, is an excellent page turner. As the transition book for the new Cooper Creek series, it made me want to know more about the Cooper family, the focus of Minton's future stories. I am thankful Minton has a new stable full of cowboys for her readers to enjoy. Until then I will just reread *The Cowboy's Homecoming*.

Mary Baker says

I liked this book, but then I like the author's writing, and I like a book I can read in a few hours. I usually enjoy books in the Love Inspired series because they avoid excessive profanity, avoid explicit sex scenes, and are warm, light, often funny stories. This novel is a story of returning home, accepting others and oneself and believing and trusting in oneself. It's a good read.

Megan says

Oh wow.....I love how she thinks hes gonna take the church down and he was just gonna take down that tree and then he leaves without telling here, but he comes back of course after his co-wooker asks him who he left behind and if he needs to buy a ring!;) Over all it was AWSM.....:)
