Lorena says

Ok, I have to wait to another Issue #9, so now i'm ready to finish Scott Pilgrim's comics

Natalie says

I'm still so confused by this series but getting more and more intrigued by the underlying darkness of it. It's such a weird feeling like I don't even know how I feel about it.

Carrie (goldenlyre) says

BLONDE DUDE TALKING ABOUT KINKS CASUALLY IN THE CONVERSATION IS ME AS FUCK
HAH ! horny fcuk

Sophie (Blame Chocolate) says

Ok, so this comic continues to get weirder and weirder. I love the darker vibe we're getting, though, even if I wasn't really expecting it to go that way.

Ashley is a freaking creep and I wish he'd just drop out of the face of the Earth for good! Sunny is also getting super mysterious now and I don't know what to make of it... I thought he'd be the typical sweet boy next door?! Except he's not? What's going on??

I didn't get to see a lot of Lottie or any of the girls, but it's great to get inside the guys' heads as well. Would especially love to get a bit more John Cho in the future!

The fact that these issues are super short is a bit of a bother but I'll continue the series as it keeps intriguing me.

CuriousCompass says

THIS ISSUE WAS SO HOMOEROTIC I'M CACKLING

Luna Margo Valentine says

shut up ashley...

bebi☆ says

wtf

Silas says

Yes: Pretty designs and stunning colours. Indulgent homoeroticism. "His zord?!"

No: Nothing really happened.

I can't wait to see what all this mystery leads up to!

Elizabeth (Miss Eliza) says

Nice getting to view the other characters through the perspective of the men, as well as learning more about them. Even if Ashley is such a dick I hate him with a passion. But seriously, they need to be careful about the coloring, because you can't tell if it's Ashley or Sunny at the end, I'm guessing Sunny because of what's said, but it's Ashley's hair...

dg says

this was hilarious. i've never heard the term 'zord' before but i'm using it for the rest of my life.
