### **Beryl says**

These words are quoted from Joye Meyer

"The Lord gave this Word to me as I was preparing for one of my conferences, and I believe He wants me to share it with you. He said:

"So many are in prison because they won't accept themselves. So many are so gifted and talented, but they won't express themselves because they fear rejection. They fear man. They fear what people will think. I want to love My people, but they hold Me at arms length and won't let Me really love them because they have been hurt by others. They fear I will reject them because of their weaknesses—like people have—but I will never reject them. Tell them I love them. Ask them to stop trying so hard to be acceptable to Me and to realize I accept them where they are. Tell them I don't want perfect performance from them. I want them to love Me and to let Me love them." "

"Tell them I love them" ... Do you know whose words they are? ... The words of the God of heaven and earth.....He wants to tell us...that He loves us....

The following is quoted from Joyce Meyer

### **Lysa says**

Short and sweet. God is love. He wants us to give it and receive it.

i liked it, but some things were not explained well or too shallow. Then again, it's only a very short book, so i guess the author couldn't but stick to the basics, but for a deep subject like 'learning to receive Gods love for you' i think a longer book with more in-depth information taking difficult situations into account would've been better. But then again, some quotes i copied were helpful and i was reminded of some great parts of the Scripture which is always a good experience.

#### **Just receive**

I love this book. I love the simplicity and transparency. I think sometimes we can over complicate the Christian walk. This book helped me to realize it's not about striving it's simply about resting. Gods ways or not our ways. He is a loving gracious God who gives graciously and lavishly (His Son - He gave us the most precious gift along with His Holy Spirit). Just stay centered in His love and receive His love and everything else will fall into place.

### **Dawn says**

Great!!! If you dont feel loved read this book!

### **Lisa says**

A small simple book explaining how God loves us, no matter what. A difficult concept to accept and believe, yet is the basis of all Christianity. Will read again. Joyce Meyer makes Christian concepts more understandable by using everyday examples from her own life. A good read.
