The Buccaneer

Donna Fletcher

The Buccaneer Donna Fletcher

The beautiful and sheltered Lady Catherine Abelard makes the ultimate sacrifice. She agrees to marry the infamous Captain Lucifer, a pirate known for his evil ways, to save her step-father from the gallows. Only the captain can provide the proof of his innocence.

Captain Lucifer has far different plans for Catherine. He wants revenge for the hell her step-father has put him through the last few years. He intends to take her innocence and return her home... a fallen woman.

A simple strand of pearls stands in the way of the captain's plans and when the strand finally breaks... will it be revenge or love he seeks from the beautiful lady?

Zoe says

No rating because I read only 30%.

I wonder, am I the only person who thinks the hero and heroine in this book are comical?

Fera Flies Free says

Suspense di cerita ini yang paling bikin aku gemas hampir sepanjang jalan cerita, walau aku patut memuji akting si heroine untuk mengelabui si hero agar tujuan balas dendam yang sudah direncanakannya gagal dicapai sesuai skenario. It's one hell of a read! especially the 'revelation' part near the end of the book which shocked not only the hero but also me!

Splage says

I found this book through a recommendation on an Amazon Discussion for H uses h as revenge- and that is exactly what it was, but not the best book I have read on this theme. If you like "revenge" Risk Everything was much better.

2 1/2, maybe 3 stars. Very typical old style romance/ bodice ripper with no forced seduction or rape though. The story was sort of silly, but did get better. The hero, the pirate Lucifer, kidnaps the daughter of the man he believes had him tortured and sold into servitude on a Merchant ship. Lucifer plans to take Catherine's innocence and return her to her father completely shamed and used. She blows his plan to bits by acting the roll of a trollop instead of the innocent virgin that she is and then he falls in love with her. I have to say I didn't know for sure if the father was good or bad until the end, which was pretty amazing since all the other secrets were easy to predict. Lots of typos, which doesn't usually bother me, but many were the switching of his and her or he and she, which can get confusing.

Maggie says

Great romping story, yummy hero, worthy heroine. Really enjoyed this. The secondary characters were good and the villain was suitably villainous. Worth reading.

sandy forguson says

One of my many favorites by donna fletcher each book has their ow story would highly recommend

Rose says

This book was one of the best romance novels I've ever read. I laughed so hard at the heroine's antics and plots. This book is definately one I will read again and again.

Becca Walker says

Awwww what a sweet guy! Typical big bad pirate that's actually not very bad at all!

I enjoyed the bond between H and h, H was so cute and possessive over Catherine. The slightly not so cool front cover on the ebook I got and the few typos I found in the beginning gave me low expectations, the plot has so many HR cliches : revenge, lost aristocrat pirate, kidnapped Virgin etc. However it worked and I think often the plot and how cliche it is, isn't what makes a novel good, it's the characters interactions and if you connect with their emotions and I did so who cares if it was a bit predictable.... 5 stars as I will definitely reread.

Gaby says

It was a nice, light read, and really liked it, but it was nothing special at the same time. The first half is the best part of the story and read it in no time, the second one took me longer because I kind of lost interest in the hero and heroine, but that interest returned eventually and I'm glad I finished it.

My only issues were the need for a good edition throughout the book, and the repetitive description of Lucian. I mean, I don't need a reminder every 20 lines or so of how big and powerful he is and how the heroine is helpless to fight him off.

Ashley the Magnificent™ says

Wow. What a messed-up book. Does it bother anyone else that the two characters schtupping in this story are brother and sister? Is it just me? I mean, supposedly her STEP-dad is his biological dad, but... really? That's not my kind of sexy. And I'm from the South!

Julie says

I absolutely fell in love with this book. Donna Fletcher is an amazing story teller and i can wait to read more!

Antoinette Lewis says

Excellent. Loved the plot didn't want to sleep, got 4 hrs of rest and woke to finish it.

MoNique says

Never really cared for historicals but as I read the reviews on Amazon I was intrigued when readers said it was a 'Pirate Romance'. I've never ready anything of that genre before and decided to give it a try.

The revenge plot was what drew me at first and once I started I couldn't put it down.
Loved the characters and was pleasantly surprised as the story progressed.

This is the first book I've read by this author and I'm looking forward to reaing more of her work.

maria says

a bit disappointed about the hero you can tell that his character was written by a woman he speaks to romantically for a man especially a rough man, It's written to unrealistic
