Angel's Breath Valmore Daniels

My name is Richard Riley. All I ever wanted was to lead a normal life.

When I was younger, I made some bad choices that ended with me in prison. I served my time, and now I am trying to put my life back together.

But someone has framed me for a crime I didn't commit. They want me dead, and they're willing to kill my friends and family to get to me.

Even as I try to save the people I love, a dark and ancient power grows inside me. I can feel its anger rising.

If it gets away from me, it will rip everything in my life apart.

From Reader Review Angel's Breath for online ebook

Marta Em says

The first book I started reading, and put it away twice before deciding that I started then I need to finish. This one got me hook from the very beginning. Although the first few pages were....ehhhh again someone from the jail again, it wil be the same. It wasn't. Thats a good thing. Started third one already

Susie says

Another quick, captivating read. Not as good as the first one however, it was still a great read...

Ann237 says

Bk2 fallen angels

Shari Davis says

Fallen Angels

The books keep getting better I can't wait to get the next one. I just wonder what and who Darcy and Richard will come up against next

Luz Maria Valle says

Angel's Breath

Gave it a five star rating. Good story. Will continue to read the next book to fix out what you next about the fallen all.

Robert Mills says

I wish that if you're going to mention an area of the country you learn the geography of it. Seattle sits on the Pacific Ocean not Atlantic. Otherwise it's a good story.

Chris says

It was an enjoyable continuation of Angel's Fire. I felt that the story was better in the first book. Even so, this one held its own.

Kayla says

This story was just "okay" to me. I do like that Darcy showed up right on time. I also like the explanation of how the powers are manifested. However, Richard seemed to be kind of a ditz, and it made listening to this story a little painful at times.

Lindsay says

Excellent

Kira says

A little bit better than the first book, but still... not good enough. I'm reading the next just to see if the series improves.
