**Everything the Bible Says About Angels and Demons: What Do Angels Look Like? Is Satan a Fallen Angel? Are Demons Real? Are Angels Sent to Protect Us?** Bob Newman (Contributor) , Anonymous (Contributor)

Readers' fascination with angelic beings--both dark and light--continues to grow. Numerous authors have given their ideas about angelic beings, but it's time to hear what God has to say. All the scriptural references on the subject have been collected and explained in a clear and concise format. The book's length and focus make it perfect for readers on the go who love the Word of God.

# **From Reader Review Everything the Bible Says About Angels and Demons: What Do Angels Look Like? Is Satan a Fallen Angel? Are Demons Real? Are Angels Sent to Protect Us? for online ebook**

## **SheLove2Read says**

Disappointing. This is a bit misleading from the book description. Everything in this I could easily have found with a little bit of research. C-

---

## **Michael says**

Information is a bit sparse, but what's there is quite insightful, without being too overreaching/assuming.

---

## **Abigail says**

It was a nice informative book based entirely on scripture. Anyone who is trying to learn more about the Biblical record of this subject would find an abundant resource in these pages.

---

## **Cornell says**

I suspect that this book is going to disappoint many readers and [sadly] for all the wrong reasons. Yet, the book faithfully lives up to its title: "Everything the Bible says about Angels and Demons".

If you picked up this book in order to get a "new", "fresh", "creative" and basically "man's" perspective on angels, don't bother continuing. You won't find that here.

The commentaries after each bible passage are minimal. Two to three sentences at best. The author has been careful not to read much into the text. He lets the scriptures speak for themselves. He basically takes a background role and learns about angels and demons alongside the reader. This is what all good Christian books ought to be: Bible-led, Bible-saturated and expository.

This is a book that is best enjoyed by being read prayerfully. Do not expect to be entertained here. Just get into the classroom and sit quietly as you learn what the Bible has to say about angels and demons.

This is a good read because it forces you to read your Bible... which is quite counter-cultural for most Christian [and non-Christian] readers who prefer to read "about" the Bible.

What Do Angels Look Like?

Is Satan a Fallen Angel?

Are Demons Real?

Are Angels Sent to Protect Us?

Read on and find out. Better still, read your Bible.

**Ashley Downey says**

**A good book.**

**A good book.**

I really liked this book. It has a lot of good information about angels and demons. I would definitely recommend this book.

---

**Sean Showalter says**

I didn't get much out of this book.

---

**Angie Vallejo says**

I found some good information; however, this book reads more as a commentary, reprinting of all the verses on the subject with a few short comments here and there. I was anticipating more of the author's insight instead of a running concordance that I could have found elsewhere. But if you are looking for one place to find all available scripture on the subject, then this will be helpful.

---

**Ms. Nikki says**

I liked it. All the references are from the bible and commented on. Nothing grand. Just scriptures where the angels and demons were mentioned.

---

**Stacy says**

This book is pretty informative about the bible's perspective about angels. From the description in the bible they aren't beautiful by normal standards. Some angels are six-winged creatures, while others have four faces. In the bible whenever they visit people they would terrify them by their appearance.

This book is about angels and demons, but it really didn't tell how demons came about. What happened why Lucifer was cast out of Heaven? The book never mentioned about the angels that married human wives (daughters of men) and had Nephilim children. What's the bible's version on what happened to the Nephilim? It was good, but very one-sided.

---

**Jim says**

Essentially collects all passages from various editions of the Christian Bible which concern Angels and/or Demons and offers commentary on them.

---

**Lillie says**

A compilation of all the verses in the Bible that talk about angels and demons. The commentary on verses is a summary of what commentators say: if there is general agreement, the book may quote a particular commentator or simply explain the common explanation. However, if there are a variety of opinions about the meaning of a particular verse, the author summarizes the main explanations so you can make up your own mind.

The books in this "Everything the Bible Says About ..." series give an overview of Scripture about a particular topic--not as effective for learning and understanding as if you looked up the verses and did a word study on your own, but a good way to learn something about a variety of topics that would be difficult to cover on your own because of time constraints.
