## **Girls From da Hood 7** Nikki Michelle , Erick S. Gray

Urban Books' popular Girls From da Hood series is back, bringing readers more dramatic tales about the lives of some tough, resourceful women who can hold their own when things get rough on the streets. This time, Redd, Nikki-Michelle, and Erick S. Gray deliver the stories with their trademark flair.

Like a hood-rich Bonnie and Clyde, Candy and Raynail have their hands on all of the drugs that run through the veins of Westwood. When Raynail is set up to take the fall for a crime he didn't commit, Candy goes on a mission to take down everyone involved.

Baby and G.G. should be thinking about high school, but their minds are definitely not on studying. These two are tight like sisters, and they have each other's backs no matter what--until Baby comes up with a plan that involves blackmailing someone to kill G.G.'s man. When these two cousins clash, the shock wave will be felt throughout the hood.

Vix Dixon is an upscale ghetto-girl that no man in his right mind wants to cross. She's a predator who preys on the weak. Her mission? To have any man or woman she wants by any means necessary. Now, she's set her sights on her teacher, Alex Rodriguez, and he bites the apple instead of a bullet. By the time Alex realizes just what he's gotten himself into, hell on earth will have a different meaning for him.

Great collection of shorts! I didn't like the second story though-it was rather sick to find out the truth. I should've known something was up since her "lovers" names were never mentioned until the end. Overall I enjoyed this book.

This book was so good. The last book made me mad. I hope J rock and Erica get the pay back they deserve. I wish Samson didn't kill Baby. I wish GG and Chubbs didn't get killed. They were so cute. I can't believe Chubbs killed his brother. But if none of this didn't happen the story wouldn't have been so good. One of the best books I read tbh.

It was a shame for this book to end! Authors Red, Nikki-Michelle and Erick S. Gray, goodness gracious is all I can say. Well Done!

Very interesting book and style of writing. Not my typical choice of reading, but it kept me entertained enough to complete it!

The first two stories were OK. My favorite was the last one by Erick Gray. His books never disappoint. I met him once and he could not have been nicer. I hope he continues to intrigue readers for a long time.

Um... I thought that the story with Baby, Samson, GG and Chubbs was pretty good. That is all I will say.

Girls From da Hood 6 was much better. That is not a joke. I actually enjoyed reading 2 out of the 3 stories in that book. This one? The first two stories didn't make any sense (beyond being offensive) and the third was boring. Makes me appreciate that not all urban fiction is the same!
