Tanzia says

My first read by Humayun Ahmed when I was 12. Since then I've read this story times more than I can keep account. And every time I read it I feel as if this is the first time I'm reading. I don't think there is and will be a better Bangladeshi story-teller than Humayun Ahmed.

Flopperstein (Shajeela) says

Really enjoyed it! I think Bangla has the unfair advantage of affecting me more because I grew up in it. Words make my skin crawl. No English book has ever been able to do that.

'Bhoi' is another of Misir Ali's cases. I enjoyed all of them! Have a few unanswered questions for the first one. Which is why it gets one star less. And I think the theme of this book is sacrifices for love/unconditional love.
