## Love Gone South: The Complete Series Alicia Hunter Pace

Welcome to Merritt, Alabama, where everybody knows your name but not necessarily your secrets. These five contemporary romances explore the not-so-simple joys of small-town living, where the heroes are hotter than temperatures in July and the heroines know just when *not* to mind their manners. Grab a glass of sweet tea and sit a spell:

*Sweet Gone South*: Chocolatier Lanie Heaven has good friends, a booming business, and the adoration of the citizens of Merritt, Alabama - and a big secret. Then widower Judge Luke Avery moves upstairs and threatens to turn her life into a sticky mess. *Scrimmage Gone South*: Lawyer Tolly Lee is pearls, debutante balls, and polished silver on the breakfast table. High school football coach Nathan Scott holds her responsible for his aborted NFL career. Can these two ex-lovers find a way to co-exist in the same small town - without becoming fodder for every gossip in town? *Slugger Gone South*: When New York Yankee Marc MacNeal comes to Merritt, Alabama, for a charity golf tournament, he's shocked to be reunited with his ex-fiancée Bailey Watkins. It could be the perfect chance to get some long-awaited closure - or the start of a whole new ball game. *Simple Gone South*: The last time Brantley Kincaid had an argument with someone, a loved one ended up in Merritt Cemetery. He's high strung enough about moving back home to the memories without running into his childhood playmate, Lucy Mead, who's all grown up. *Secrets Gone South*: Will Garrett grew up on the wrong side of the tracks and never expected debutante Arabelle Avery to end up in his arms during an emotional moment. Now she's returned to Merritt, his son on her hip. Will he ever be good enough to raise his son and win Arabelle's heart? Sensuality Level: Sensual

### **Love Gone South**

This is the best series of southern charm stories written. 4.5 stars of possible. Each story line is connected by the characters and set in an Alabama town. The first is about a woman who owns a chocolate shop and the new judge in town. The next about two people who knew each other over thirteen years. She was sixteen when they first met. He was a star quarterback in college. Now he is back in town to coach the local high school football team. The next one is about lost love. He went on towards a baseball career. She was hurt by rumors of his child. Now eight years later they meet again. This was a novella about second chances. The next is about two people who grew up in the same place. But because of his past he has ran from those who love him the most. But one day he came back. Will he stay long enough for her love to ground him? The last was about a love between two people who were born from different backgrounds. He felt he was never going to be good enough for her. But what happens when he finds out that there was something or someone to find them forever. Can he be the man she needs?
